To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir.

With reference to G.O.No. 872, Law (Education) dated 29th May 1924, I have the honour to submit herewith copies of my Proceedings sanctioning ~~the distribution~~ the distribution of subsidies to local bodies in 1924-25 towards the payment of the temporary allowance of Rs 4/- per mensem to teachers employed in elementary schools under their management.

2. On the receipt of G.O.No. 872, Law (Education) dated 29th May 1924 the local bodies were requested to forward a statement showing their requirements in respect of the payment of the temporary allowance of Rs 4/-. Replies have been received from 122 taluk Boards and 74 Municipal

Councils. Many of the local bodies did not furnish complete information at first and references had to be made to obtain full particulars.

3. In case of local bodies that have merged the temporary allowance of Rs 4/- in the pay proper, subsidies have been sanctioned in accordance with the orders contained in G.O.

(A) No. 1475, Law (Education) dated 17th October 1923. In such cases it has also been scrutinized that the revised scale of pay includes both the temporary allowance of Rs 4/- and the compensatory allowance in lieu of capitation allowance. In the case of Taluk Boards, Tuticorin, Koilpatt, Gurzala and Bezwada which have merged the temporary allowance of Rs 4/- in the pay proper, payment could be made since the revised pay does not fully include the allowance of Rs 4/- References have been made to the local bodies concerned and the question is still under correspondence. Since the applications of the Municipal Council, Masulipatam and the Taluk Board, Penukonda were received late in the office, payments could not be made and they have been informed that their claims will be considered during the course of the year 1925-26 if funds are available after meeting the current year's demand.

4. The local bodies mentioned in the margin applied for the Taluk Boards.

	Amount applied for	amounts shown against each being the excess expenditure said to have been incurred in

1923-24 over and above the Provincial subsidy sanctioned in that year for the purpose. Subsidies were paid to these local bodies in 1923-24, based on the number of teachers reported by them, and after deducting the unspent balance which stood to their credit on 1st April 1923. If the local bodies had incurred any additional expenditure not provided for in their statements furnished by them in reply to this office requisition, the demands need not be considered now and I have informed them accordingly.

Further, the expenditure incurred is not large and the local bodies concerned should be able to meet it from their own funds

5. There are 8 teachers employed in the Government Girls School transferred to the management of the Municipal Council, Dindigul and the Chairman claims a portion of the expenditure on account of the revised scale of pay introduced in the school. Since the sanctioned scale of pay in the Girls' Schools transferred to local bodies includes the temporary addition to pay, the teachers are not eligible for the temporary allowance of Rs 4/-. Further the Chairman's request for an enhanced subsidy has already been refused by Government. Please see G.Os No. 661 Law (Education) dated 10th May 1923 and 601 Mis, Law (Education) dated 15th April 1924. Similarly the five teachers employed in the Girls School Kalahasti under the Taluk Board, Chendragiri have also been excluded.

6. The Taluk Boards, Usilampatti and Kottayam claimed a subsidy towards the payment of the allowance to teachers employed in schools opened and maintained with the aid of the education cess and the equivalent Government contribution payable under section 37. These teachers have been excluded since the entire cost of maintenance of these schools is met from the Education Cess.

7. The Taluk Boards, Ernad and Hosur have expressed their inability to meet one half of the expenditure on account of the payment of the allowance and at the same time request for the Government share of the subsidy. The Taluk Board, Chittoor claimed the entire allowance from Provincial funds. Their requests have been rejected. The Taluk Board, Kanigiri sanctioned the payment of the allowance and applied for a subsidy stating that its share of the expenditure would be obtained either from the District Board or from Government. The President was asked to state definitely whether he could meet one half of the expenditure on account of the payment of the allowance, he has not yet replied to the reference.

8. It is reported that the Taluk Boards, Chidambaram and Lal-
gudi have revised the pay of teachers, the extra cost being met
from the proceeds of the Education Cess and the equivalent --
Government contribution. These Boards have not applied for a
subsidy. The Taluk Board, Lalgudi enquired last year whether the
extra cost on account of the revision of pay of teachers could
be met from the proceeds of the Education Cess and the equivalent
Government contribution and the President was informed that
there was no objection. Government have since passed orders
deprecating the policy of utilising the proceeds of the Educa-
tion Cess on the revision of the pay of teachers.

9. In 1924-25 a sum of Rs 4698 was also sanctioned to a few
local bodies towards the payment of arrears. The total expenditure
on account of the payment of the allowance is Rs ^{394,509}~~397,595~~ excluding
the amount paid as arrears. Including the arrears sanctioned,
the expenditure is Rs ^{399,207}~~402,293~~ against the budget provision of
Rs 3.93 lakhs in Civil Budget Estimate for 1924-25 under 31 (c).
(b) (iii) Education-Primary-Grants to Local Bodies for Primary
Education- Voted- for paying an allowance of Rs 2 to teachers
employed in elementary schools under the management of local
authorities. The excess expenditure was met by reappropriation
sanctioned by me from the savings available under the same item
31 (C)(b)(iii) Education-Primary- Grants to Local Bodies for
Primary Education-Voted. A sum of Rs 378 was also sanctioned
to the Agency Taluk Board, Parvatipur and the expenditure was
met from the provision of Rs 43700 under 31 (c)(a)(iv) Education
Primary- grants to Local Bodies for Primary Education-Agency
tracts.

10. The Budget Estimate for 1925-26 as sanctioned by the Finance
Department includes a provision of Rs 3.93 lakhs towards the
payment of the allowance of Rs 2 to teachers employed in ele-
mentary schools under the management of local bodies. I request
that orders may be issued early as ^{possible} steps may be taken

as in the year 1924-25 for the distribution of the amount to the
local bodies concerned in the current year.

I have the honour to be,

Sir,

Your most obedient servant,

JR Sundaram

Station Madras, Dated the 18th April 1925 192 .

From (Name) R.G. Grieve Esquire, M.A., F.R.G.S.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

In continuation of my letter R C No. 1055 B/24, dated 14th April 1925, I have the honour to report that the Taluk Board, Calicut, has not drawn from the treasury the sum of Rs. 3086 sanctioned by me, since the Board was unable to meet its share of the expenditure from its own funds other than the proceeds of the Education Cess. Therefore the total expenditure of Rs. 3,97,595 would be reduced by Rs. 3,086.

I have the honour to be,
Sir,

Your most obedient servant,

1349A
Rama Ray

for Director of Public Instruction.

In G.O. 1872 Law (Edn) d. 29-5-24 the D.P.I. was specifically asked to keep the expenditure on subsidy for allowances to teachers during 1924-25 within the budget provision viz 3.93 lakhs. In spite of that, he has incurred an expenditure of Rs 399,207 (including arrears) in contravention of the above govt. order and has met the excess by reappropriation

from Savings under the head "Grants to local bodies for primary education". The grants are not obligatory and are subject to the availability of funds - vide para 1 of G.O. 226 Law (Edn) d. 27.2.22. If the funds voted by the Leg. Council for 1924-25 viz. 3.93 lakhs were found insufficient, the grants payable to each local body should have been proportionately reduced so as to keep the expenditure within the budget grant. The Law (Edn) Dept. may be requested to point this irregularity to the D.P.I.
