OFFICE NOTE.

Subject:-- Budget estimate of the Elementary Education Fund of
the Mannargudi Municipal Council, for 25-26.

The contribution from the general revenues of the municipal council for 25-26 is less than that for 24-25. The council proposes to improve the pay of its employees other than teachers of elementary schools. These teachers are now paid fixed salaries ranging from Rs.16½ to 36 and these rates are granted to all teachers alike irrespective of their educational and professional qualifications. The advisability of introducing uniform -- time scales of pay for teachers in public elementary schools is coming ~~xxxxxx~~ before the council and the municipal council may be requested to undertake the revision of pay of its teachers on the line that may be approved by the District Educational Council,

No information is available as regards the qualifications of the existing teachers and hence it is not possible to work out the extra expenditure involved by the proposed revision.
