LAW (EDUCATION) DEPARTMENT

G.O. No. 946, 6th June 1925

Subsidies—Secondary Education—Monthly instalments—Payment ordered.

Read—the following paper :—

Letter from R. G. GRIEVE, Esq., M.A., F.R.G.S., Director of Public Instruction, to the Secretary to Government, Law (Education) Department, dated Madras, the 18th April 1925, C. No. 873-B/25.

I have the honour to submit herewith two statements—one for district boards and another for municipalities—showing the monthly instalment of subsidies that may be paid to each local body during the first nine months of the year 1925-26. The statements are based on the actual amount paid to each local body during the year 1924-25, in accordance with paragraph 4 of G.O. No. 753, Law (Education), dated 12th May 1924. But in the case of certain district boards and municipalities, there were certain excess payments made during the first nine months of last year, which could not be adjusted during the last quarter of the year. Such excess payments are shown against the respective local bodies in column 4 of the statements. In calculating the monthly instalments of subsidy, this excess amount has been deducted from the actual amount payable to the local bodies concerned, and the balance amount is taken to be the provisional amount of subsidy due to the local body during the current year. If this is not done now, it may not be possible to adjust these excess payments in the last quarter of the current year.

2. In the case of the Municipal High Schools at Bimlipatam, Bezwada, Hindupur and Villupuram and the Municipal Middle School, Chirala, and the Muhammadan Middle School at Cuddapah, the fixed subsidy due to them for the current year has been taken into account for calculating the monthly instalment of subsidy. For Walajapet and Ellore, no subsidy has been shown in column 5 of the statement as payable during the current year because there are large amounts standing to their credit which have to be adjusted. Similarly, with reference to G.O. No. 1675, L. & M., dated 19th June 1924, no amount has been shown as payable to the Tiruppattur Municipal council.

3. The expenditure on account of the district boards, with the exception of Agency district boards and on account of the municipalities, including the expenditure on account of the Salem College may be met out of the allotment of Rs. 8,77,500, under "31. B.c.—Education—Secondary—Grants to Local Bodies for Secondary Education—Teaching".

The expenditure on account of the secondary schools under the two Agency District Boards may be met out of the allotment of Rs. 2,000, under "31. R.B.c.—Education—Secondary—Grants to Local Bodies for Secondary Education—Agency—Grants-in-Aid—Teaching".

Order—No. 946, Law (Education), dated 6th June 1925.

The Accountant-General is requested to disburse on the 15th of every month during the first nine months of the current official year the amounts specified in column (6) of the annexure to these proceedings, being the monthly instalment of subsidies payable to local bodies towards the maintenance of secondary schools under their control. The amounts due for April and May will be paid in a lump.

2. The subsidies due to the Walajapet and Ellore municipalities will be withheld and adjusted towards the over payments made to them. The subsidy payable to the Tiruppattur municipality will be withheld and adjusted towards the unspent balance of Provincial grants yet to be surrendered by it, as directed in G.O. No. 1675, L. & M., dated 19th June 1924.

3. The Presidents of District Boards and Chairmen of Municipal Councils concerned are requested to present the necessary bills at the treasury for the amount due for each month and obtain payment.

4. The expenditure will be met from the sources indicated below :—

(i) Rs. 96,804 payable to Municipal Councils including the Municipal Council, Salem. From the provision of Rs. 8,77,500 in the current year's budget estimate under "31.B.c.—Education—Secondary—Grants to local bodies for secondary education."

(ii) Rs. 1,485 payable to the Agency District Boards—Polavaram and Vizagapatam. From the provision of Rs. 2,000 for the maintenance of Board Secondary Schools under "31. R.B.c. Education—Secondary—Grants to local bodies for secondary education—Agency."

(iii) Rs. 3,37,536 payable to other District Boards. From the provision of Rs. 8,77,500 in the current year's budget estimate under "31 B.c.—Education—Secondary—Grants to local bodies for secondary education."

of the year. Such excess payments are shown against the respective Local Bodies in Column 4 of the statements. In calculating the monthly instalments of subsidy, this excess amount has been deducted from the actual amount payable to the Local Bodies concerned, and the balance amount is taken to be the provisional amount of subsidy due to the Local Body during the current year. If this is not done now, it may not be possible to adjust these excess payments in the last quarter of the current year.

2. In the case of the Municipal High Schools at Bimlipatam, Bezvada, Hindupur and Villupuram and the Municipal Middle School, Chirala, and the Muhammadan Middle School at Cuddapah, the fixed subsidy due to them for the current year has been taken into account for calculating the monthly instalment of subsidy. For Walajapet and Ellore, no subsidy has been shown in Column 5 of the statement as payable during the current year because there are large amounts standing to their credit which have to be adjusted. Similarly, with reference to G.O.No.1675 L.&M. dated 19-6-24, no amount has been shown as payable to the Tiruppathur Municipal Council.

3. The expenditure on account of the District Boards, with the exception of Agency District Boards, on account of the Municipalities, including the expenditure on account of the Salem College may be met out of the allotment of Rs.8,77,500/- under "31.B.C.-Education-Secondary-Grants to Local Bodies for Secondary Education-Teaching".

Subject: Monthly Distribution of recurring & net cost sub-
sidy to local bodies for secondary education.

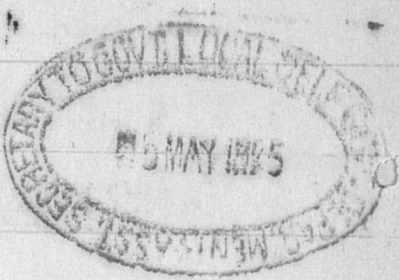

The D.P.I. submits statements for the distribution of monthly payments to local bodies towards the cost of maintenance of ^{Secondary} schools for the first nine months of the current official year. These statements do not call for any remarks.

2. The Director has also submitted separately statements showing the fixed lump sum subsidies which have been decided to be paid to the local bodies towards secondary education in place of the existing variable net cost subsidies. The file regarding this has been submitted separately. The L.S.G. and A.G. depts. have to examine and the fixed subsidies before sanctioning them. As this will take some time it is submitted that the usual procedure may be followed for sanctioning monthly payments in accordance with paragraph 4 of G.O. No. 753 Law (Edn) D/12.5.24. If, however,

has already been stated in page
 before, and after the fixed
 subsidies are settled, any alterations

 payable to the local bodies, the
 necessary adjustment may be
 made in the last quarter of the
 year. In this view a draft
