Fees - Examination Fees - Payment into the State Treasury -
Facility requested.

Pudukottai is one of the centres at which the marginally
noted examinations are held and a number of students appear for
for these examinations. Under the existing arrangement the State
candidates appearing for these examinations have to go to a British
Treasury for payment of their fees and attach the Treasury
receipts to their applications. Obviously this arrangement causes
great inconvenience to the candidates and there was also a
representation made at the last session of the State Legislative
Council requesting the Darbar to move the Government with a view
to permit the State candidates appearing for these examinations to
remit their fees into the State Huzur Treasury and file the
receipts issued there in token of payment. It will be seen from
the instructions in the enclosed application form that the
candidates appearing for these examinations from the States of
Mysore and Cochin are permitted to remit their fees into the State
District and Taluk Treasuries respectively. I have the honour
therefore to request that you will kindly move the Government with
a view to extend this concession to the State Candidates as well
and permit them to remit their fees into the State Huzur Treasury.
The State has got a current account with the Imperial Bank of India
at Trichinopoly and Madras and the amounts received in the State
Treasury on behalf of the University and the British Government
can be credited to the appropriate heads by adjustment through
the Bank.
