The Scheme of manual training was
introduced in the C.M.S. Secondary
Training School, Palamcottah in 1923,
and a grant of Rs. 243 (Non-recurring
Rs. 188 and recurring Rs. 55) was sanctioned
for 1923-24. Another grant of Rs. 267
was sanctioned for recurring expenditure
in 1924-25. It is now proposed to sanction
a grant of Rs. 454 (Non-recurring Rs. 181
and recurring Rs. 273) for the continuance of
the Class in the current year.

2. The D.P.I. has stated that the
total budget provision for grants (both
recurring and non-recurring) to Non-School
Special Schools has been very nearly
utilized for new schemes during the current
year. He has submitted a reappropriation
Statement to meet the expenditure in the
present case. The reappropriation is from the
provision for Subsidiary Grants to Non-School
Special Schools. It may be noted here
that in some previous cases of manual
training when the Law Dept. proposed
grants in excess of budget provision, they
assured ^{the dept.} that the total provision for manual
training ^{would} not be exceeded. It is therefore
submitted that Finance should not agree

to the reappropriation of funds from the provision made for Stipendiary Grants. The Law (Edn) Deptt. may be requested to suggest a reappropriation from within the provision for manual training made under ~~different~~ ^{other} minor heads.

3. In the present case a grant for non-recurring expenditure was given in the first year. As there is no budget provision for a grant for non-recurring expenditure in the current year, the Law (Edn) Deptt. may be requested to consider whether the management may be asked to meet the entire non-recurring expenditure from its own funds.

Will you kindly let me know why a fresh re-appropriation statement is asked for now, as the one already submitted would appear to be in order. (p.30f.)

I may state in this connection that the savings in the provision made for Manual Training under other minor heads relating to grants to non-Government schools will be fully utilized for the 8 schemes proposed to be sanctioned in U.O.No.3219-B/24-26 dated 3-12-25.

The D.P.I. enquires why a fresh reappropriation statement is necessary.

The reappropriation already proposed by the D.P.I. is from 'stipendiary grants' to 'manual training grants' under 'Schools--special.' The Finance Department stated that the reappropriation should be from savings for manual training schemes. Separate provision for 'manual training' is made only under the heads, grants to aided schools and schools under local bodies. The D.P.I. states that there is not likely to be any saving under these heads. There are, however, savings in the provision made for manual training schemes in Government schools. The provision for these schemes is not shown separately but is included in the allotments under 'Pay of establishments', 'Contingencies' &c. Instead of reappropriating from these heads, the D.P.I. considers that it is easier to

to find the small additional sum required in the present case as proposed ~~in~~ in the reappropriation statement already submitted by him. In the circumstances the Finance Department may be requested to agree to the sanctioning of the reappropriation statement on page 3 of c. f.

Subject:- Grant for the manual training classes in the C.M.S. Secondary Training School, Palamcottah - D.P.D.'s letter R.C. No. 966-E/25 D 5-11-25

p. 2 of c. f.

The D.P.D. has recommended the payment of a grant of Rs. 454 (non-recurring Rs. 181 and recurring Rs. 273) for the continuance of the manual training classes in the C.M.S. Secondary Training School, Palamcottah, during the current year and has submitted a reappropriation statement to meet the expenditure. The reappropriation proposed by him is from the provision for stipendiary grants to non-Govt. Special Schools. As there are savings in the provision for manual training made under other minor heads the Director may be requested to suggest a reappropriation from within the provision for manual training.
