Subject :-- District Educational Councils--Representation of teacher managers.

A.S.
Clause (a).

In answer to clause (C) of question No. 583 asked at the meeting of the Legislative Council held on the 20th March last, it was stated that the question of giving representation on the District Educational Councils to associations of teacher-managers in the mufassal will be considered if and when they are properly organised. The Hon. Members' attention may be invited to that answer.

Clause (b). Reports were received in 1924 on the working of the association of teacher-managers from the districts of Godavari, Tanjore and Chingleput. They were not considered satisfactory. The District Educational Council, Ganjam, has recently submitted proposals for according representation to the association of teacher-managers in the district. The proposals are under consideration.

Clause (c) Submitted that there is no need at present to call for information about the working of the associations in the Presidency. The draft answer below is for approval.

The Resolution passed at the D.E. Conference that D.E. Councils should organise associations of non-mission aided teacher managers was communicated to all D.E. for necessary action. Draft rules framed in this regard by the D.E. further were circulated to all Councils to serve as models.
