Referring to the above G.O., I have the honour to reply

L.S. No. 32269-1004
25-10-25 to the remarks of Government seriatim: -

The credit taken for Government contribution of Rs 4680 in the revised estimate for 1924-25 is correct for the following reasons: -

The Taluk Board realized in 1923-24 Rs 4682 on account of Education Tax and an equivalent sum ought to have been credited to the Board by Government in 1924-25 under Section of the Act. In the Treasury Account for March 1924 the

the receipts from Education Tax for 1923-24 have been shown as Rs 2358/- because from the total credit of Education tax of Rs 4682/- made during the year 1923-24, Rs 2324/- erroneously credited to the Board in 1922-23 & refunded to Government in the year as ordered in G.O.1467.Law/1-12-22 and G.O.187.I & M 19-1-23 was deducted and only the net credit indicated in the monthly account, but the contribution due from Government under Sec: 37 of the Elementary Education Act for 1924-25 was payable ----- equivalent to the gross collections as they stood before refund was made, because the contribution equivalent to the amount refunded had already been recovered by Government by short payment of the contribution in 1923-24 - Please vide - Law. G.O.1595.Educn. dated 12-11-23 where-in the Government had sanctioned for this Board only Rs 6907-12-4 when the actual credit of tax in the year 1922-23 was Rs 9231-9-7. But the Government have actually given to the Board in 1924-25 only Rs 2358. A contribution of Rs 2334/- is still due from ----- Government. I solicit that the short payment may be scrutinized and the grant of Rs 2334 still due to the Board in this respect may now ~~be~~ be ordered to be paid to the Board at least in the current year..

The credit taken for Provincial contribution under the Proviso to Sec.37 in the Budget Estimate for 1925-26 has now been reduced from Rs 16790 to Rs 16201 as required by ----- Government. There was no savings on 31st March '25 out of the subsidy sanctioned in G.O.1598.Law.Educ./16-10-24 as the ~~subsidy~~ subsidy was wholly spent on new schools during the year. The credit for Government contribution under section 37 of the Elementary Education Act has now been fixed with reference to actual collection of Education Cess in 1924-25. Now as regards the remarks of Government requiring the Board to contribute to the Elementary Education Fund Rs 6320/- for each of the years 1923-24 and 1924-25, I solicit the favour of a perusal by Government of my letter to Government on their remarks on the General Budget Estimate a copy of which letter is enclosed. - please vide enclosure no 1. It will be seen from this letter that it is not possible to

to pay now more than what has already been paid to the Elementary Education Fund by way of contribution from the General Fund.

As regards item IV of the remarks requiring that the resulting deficit should be avoided by the Board by reducing the expenditure, I have to submit that the Elementary Education Fund for 1924-25 has closed with an actual deficit of Rs 3007 on 31-3-25. A separate Banking Account has been opened for that fund at the Treasury distinct from the General Fund from 1-4-25. Owing to the above ~~deficit~~ deficit in the opening balance of the Elementary Education Fund and to the insufficiency of Cesses and Grants adjusted to the Fund by the monthly instalments, payment of salaries to poor teachers month after month is dislocated and anxiety created. Kind attention of the Government is in this connection invited to my letter Dis.No.349/15-7-25 soliciting Government to sanction grants to wipe off the deficit in the opening balance of the Fund on 1-4-25.

The Elementary Education Fund of the Taluk Board for 1925-26 revised with reference to the actual opening balance of minus Rs 3007 on 1-4-25 stands as follows: -

Estimated net receipts.	Rs 31443
Net estimated charges.	Rs 33900
Deficit.	Rs 2457
Opening balance for 1925-26. minus	Rs 3007
Closing balance of Elementary Education Fund for 1925-26.	Rs 5464

As the Taluk Board does not see any way of tiding over the financial difficulty, I request ~~M~~ that the Government may be pleased to pay to the Board Rs 5464 required to wipe out the deficit in the Elementary education Fund as also the grant of Rs 2334 ^{in 1924-25} short paid under section 37 of the Act. A revised Budget for 1925-26 indicating therein the actuals for 1924-25 instead of the revised estimate for that year together with a copy of Taluk Board resolution No.91/12-8-25 is enclosed.

Sir,

Reference - Government memorandum No. 20759 A-1-B2.1 & M
dated 29-7-25 - Budget Estimate - 1925-26 - Karkal Taluk
Board.

In Para 1 of the above memorandum, the Government require that the provision for Board's contribution to the Elementary Education Fund for 1923-24 and 1924-25 should be reduced to Rs 6320/- in each case. In this connection I have to state that the Taluk Board had actually paid Rs 7109 in 1923-24 and Rs 4000/- in 1924-25 as contribution from the General Account to the Elementary Education Account. All the Taluk Board schools were ill-equipped. As urged by the Education Officers the provision of furniture to schools was considered desideratum. There was no money in the Elementary Education Account to meet the cost of furniture. Therefore the Board proposed to transfer and had transferred in 1923-24 for this purpose Rs 1827/- from the General Fund to the Elementary Education Fund in addition to the contribution paid for ordinary charges under the Elementary Education Fund. Hence the increase in the contribution in 1923-24. It is not now possible to reduce the contribution already paid and appropriated to the Elementary Education Fund in 1923-24. As for raising the contribution to the Elementary Education Fund for 1924-25 from Rs 4000/- to Rs 6320/-, I have to state that it was not found possible to pay from the General Fund more than Rs 4000/- without starving the services under the General Account. The General Account for 1924-25 has no doubt opened with an actual surplus of Rs 3884. But instead of this surplus, a minus balance would have resulted, if as required by Government Rs 6320/- had been paid from the General Fund as contribution to the Elementary Education Fund and if all the incomplete repair work budgetted for had been paid for by 31-3-25. The Elementary Education

to pay more than what has already been paid to the Elementary Education Fund by way of contribution from the General Fund. As regards item IV of the remarks regarding the remaining deficit should be avoided by the Board by reducing the expenditure, I have to submit that the Elementary Education Fund for 1924-25 has closed with an actual deficit of Rs 3007 on 31-3-25. A separate Banking Account has been opened for that fund at the Treasury distinct from the General Fund from 1-4-25. Owing to the above deficit in the opening balance of the Elementary Education Fund and to the insufficiency of Grants and Grants adjusted to the Fund by the monthly instalments, payment of salaries to poor teachers month after month is discontinued and anxiety created. Kind attention of the Government is in this connection invited to my letter No. 349/18-7-25 soliciting Government to sanction Grants to wipe off the deficit in the opening balance of the Fund on 1-4-25.

The Elementary Education Fund of the Taluk Board for 1923-24 revised with reference to the actual opening balance of mine Rs 3007 on 1-4-25 stands as follows:-

Rs 31443	Estimated net receipts.
Rs 33900	Net estimated charges.
Rs 2257	Deficit.
Rs 3007	Opening balance for 1923-24 minus
	Grossing balance of Elementary Education Fund for 1923-24.

As the Taluk Board does not see any way of wiping off the financial difficulty, I request that the Government may be pleased to pay to the Board Rs 6484 required to wipe out the deficit in the Elementary Education Fund as also the grant of Rs 2334 short paid under section 37 of the Act. A revised Budget for 1925-26 indicating therein the actuals for 1924-25 instead of the revised estimate for that year together with a copy of Taluk Board resolution No. 91/18-8-25 is enclosed. I have the honour to be, Sir, Your most obedient servant.

in 1924-25

Fund for 1924-25 has closed with a deficit of Rs 3007/- on 31-3-25. A separate Banking Account has been opened for that Fund at the Treasury distinct from the General Fund from 1-4-25. Owing to the ~~in~~ above deficit in the opening balance of the Elementary Education Fund, and to the insufficiency of the Cesses and grants adjusted to the Fund by monthly instalments, payment of salaries to teachers month after month is dislocated and anxiety created. Kind attention of the Government is invited in this connection to my letter Dis.No.349/15-7-25 - copy enclosed - soliciting Government to sanction Grants to wipe off the deficit in the opening balance of the Elementary Education Fund on 1-4-25.

As for the variation which the Government have observed between the closing balance under General Account indicated in the Comparative Annual Account for 1923-24 and in Part II of the Financial Statement submitted with the Budget, it is submitted that the balance indicated in the latter was with reference to March Preliminary Account of 1924 and that indicated in the former was with reference to the March Final Account of 1924. The balance of Rs 5686 shown in the Comparative Annual Account and in the March Final Account was the actual closing balance of the General Account on 31-3-24.

Now coming to the Budget for 1925-26, when the actual surplus of Rs 3884 under the General Fund is taken as the opening balance of the Budget, the Budget for 1925-26 of the General Account will close with a deficit of Rs 2326. Similarly, when the actual deficit of Rs 3007 under the Elementary Education Account is taken as the opening balance of the Elementary Education Budget for 1925-26, the Budget of the Elementary Education Fund will close with a deficit of Rs 5464 as explained below:-

General Account for 1925-26.

Estimated net receipts	Rs 12770
Estimated net charges.	Rs 18980
Deficit.	minus Rs 6210
Opening balance 1925-26	Rs 3884
Closing balance of General Account 1925-26	minus. Rs 2326

Elementary Education Account. 1925-26.

Estimated net receipts.	Rs 31443
Estimated net charges.	Rs 33900
Deficit.	Minus Rs 2457
Opening balance 1925-26.	Minus Rs 3007
Closing balance of Elementary Education Fund 1925-26	Minus Rs 5464.

I request that a grant of Rs 7790 may be kindly sanctioned by Government to efface the deficit shown above under the General and the Elementary Education Accounts for 1925-26. I am unable to suggest any further reduction in expenditure as the Budget submitted to Government provides for the irreducible minimum of expenditure.

A copy of Taluk Board Resolution No.122 on the subject is submitted herewith.

The Secretary to the Government of Madras,
Law Education Department.

Sir,

I have the honour to submit herewith an abstract of the accounts of the Taluk Board for the official year 1924-25. In doing so, I have to state that the Elementary Education Fund of my Taluk Board has closed with a minus balance of Rs 3092 on 31-3-25 even after paying Rs 4000 as contribution from the General to the Elementary Education Fund. The Elementary Education Budget of my Taluk Board for 1924-25 as submitted to Government, had closed with a deficit of Rs 6320 even though bare maintenance of institutions at minimum cost had been budgetted for, no new educational works had been provided for, and salaries of teachers have not been revised. While passing orders on the Elementary Education Budget for 1924-25 the Government did not sanction any grants to the Board to wipe off the deficit but merely wanted the Board to retrench expenditure to income. But it was not possible to effect any further retrenchment in expenditure, as the expenditure provided for in the Budget represented the irreducible minimum. No income from the Educational Cess could be made available towards reducing or wiping off the deficit as the Cess and the Grant had been utilized wholly for new schools and will be required for expenditure on those schools year after year. As seen from the enclosed abstract of accounts, the General Fund Accounts of the Taluk Board for 1924-25 closed with a surplus of only Rs 3631. Even this small surplus was due to a number of usual maintenance works having not been paid for by 31-3-25 and if this small surplus under the General Fund had been transferred as contribution to the Elementary Education Fund by 31-3-25 in addition to Rs 4000/- already paid by obtaining special orders of Government - (Special orders will be necessary because the Government have in their orders on the normal Budget

Since reduced to Rs 3092 as the credit of Education tax was increased as advised by the District General.

Since increased by Rs 254 being the land cess as advised by the Accountant General.

restricted the payment of contribution from General Fund to the Elementary Education Fund to only Rs 4000/- a year) - there would have been no money left to maintain the prescribed working balance under the General Fund and no money to meet the necessary recurring charges under the General Fund.

A separate Banking Account has been opened for the Elementary Education Fund with effect from 1-4-25. The Banking Account cannot open with a minus balance. The advance monthly contributions of Education Cess and the recurring grants amount only to Rs 1230/- whereas the Board requires Rs 3000/- every month for salaries, rent and contingencies of elementary schools. Disbursement of salaries month after month has thus become impracticable. In the circumstances I would request that the Government may be pleased to sanction a grant of Rs 3092 to enable the Board to efface the deficit in the Banking Account of the Elementary Education Fund. In this connection, I may submit that this Board is one of normal deficits as observed by the Government, the recurring deficit amounting to Rs 5300/- as computed by Government. The Taluk Board received a compassionate grant of only Rs 2361/- for 1924-25 as against Rs 10026/- in 1923-24. This small grant was inadequate to meet the recurring payments and hence the dislocation in the finances.

It is prayed therefore that the Government be pleased to grant the afore-said Rs 3092/- at least to wipe out the deficit in the Elementary Education Account.

Sir,

With reference to the Government Endorsement No. ---
 4136.A.25-1, dated the 7th November 1925, I have the honour
 to resubmit herewith the letter Dis. No. 401-D/25, dated
 the 20th August 1925 from the President, Taluk Board, Karkal
 and to state as follows.

2. The President requests the payment of (i) Rs. 2324/-
 being the balance of the Government contribution payable -
 under Section 37 of the Madras Elementary Education Act of
 1920 and (ii) Rs. 5464 to wipe off the deficit in the Ele-
 mentary Education fund under the control of the Taluk Board.
 As regards item No. (i), I am to state that there was an
 unauthorized collection of Rs. 2324 as Education Cess in
 1922-23 and that the Board was directed to refund the amount.

The amount was refunded by the Board in 1923-24.

In the
P.T.O.

15
the years 1923-24 and 1924-25, the amount payable to the -
Taluk Board under Section 37 was based on the audited report
received from the Examiner of Local Fund Accounts. According
to the President's statement, the amounts refunded have been
taken into account twice by the Examiner (Viz) in 1923-24,
against the actual collection of Rs. 9232 as Education Cess.
Only a sum of Rs. 6908 (Rs. 9232 - 6908 = 2324) was paid in -
G.O. No. 1595 Law (Education), dated the 12th November 1923,
similarly in 1924-25, against the actual collection of Rs. 4682/-
as the proceeds of the Education cess, a sum of Rs. 2358 -
(4682 - 2358 = 2324) was reported by the Examiner and paid in
G.O. No. 309 Law (Education), dated the 3rd March 1925. The
Board's request for the balance of Rs. 2324 has therefore to
be examined by Government in consultation with the Examiner,
of Local Fund Accounts.

3. The Board's request for a grant to wipe off the deficit
in the Elementary Education Fund has already been rejected by
Government (vide) paragraph 4 of G.O. No. 4130 L & M., dated
the 10th November 1925.
