THE
ADMINISTRATION REPORT

The Tanjore Maharaja Serfoji's Saraswathi Mahal Library
FOR
1925-26.

THE
**Eighth Annual Report of
The T. M. S. S. M. Library, Tanjore.**

The Administrative Committee of the T. M. S. S. M. Library begs to submit to Government its Eighth Annual Report for the year ending 31st March 1926.

2. Thirteen meetings were convened in the year, of which eleven meetings were held and two were adjourned for want of quorum. Four members attended one meeting and each of the other ten meetings were attended by three members. The average attendance was 3.09.

There was change in the personnel of the ex-officio members. Mr. P. C. Lobo Bar-at-Law District Judge succeeded Mr. J. C. Stodart I. C. S. in July 1925 and Mr. H. S. Shield I. C. S., Collector succeeded Mr. H. M. Hood I. C. S., in December 1925. Rajah Sri Sivaji Rajah Sahib, M. R. Ry., P. R. Natesa Ayyar Avl., B. A., B. L., and M. R. Ry., T. Sambamurthi Row Avl., B. A., B. L., continued as non-official members, the last of whom served also as Honorary Secretary.

3. The full time paid establishment continued to be the same as in the previous year and worked satisfactorily. From October 1925 a private guard composed of four pensioned sepoy and police constables was appointed in the place of the Police Guard as the latter cost more than thrice the former and as the contribution from the Receiver of the Tanjore Palace Estate towards its cost ceased to be paid owing to the Receivership having come to an end. In the interests, both of the library and its employees and at a cost of about a third of the savings thus effected, the establishment of a provident fund from 1-4-1926 for the library's employees was sanctioned, in the Budget for 1926-27 passed at the committee's meeting held on 28-3-1926.

4. There were 28,480 visitors during the year under report as against 25,609 in the previous year. Among the distinguished visitors in the year were Prof. P. Seshadri of the Benares Hindu University, Her Highness Chimnabai Sahib Maharani of Baroda, The Hon'ble Sir. A. P. Patro Minister for Education, Messrs. A. R. Loh, Tottenham C. I. E. I. C. S. Central Board of Revenue Delhi, D. N. Strathie M. A., I. C. S., Commissioner of income Tax, Madras. Her Excellency Lady Goschen, The Hon'ble Lady Alexandra Metcalfe, Lady Ravensdale, The Rt. Hon'ble V. S. Srinivasa Sastry and the Count and Countess de San Martino of Rome.

It may be noted with pleasure that the library is increasingly used by the public. 3,208 manuscripts and books were consulted by readers in languages and subjects detailed in Statement No. I. appended hereto as against 2,622 in the previous year.

5. A staff of copyists is retained not only for supplying copies of manuscripts to the public but also to copy out for the library old and decaying manuscripts on cadjan and paper, for preserving the knowledge contained in

them. 41 manuscripts on cadjan and paper were copied for the library and 22 manuscripts for the public in the year under report as against 66 manuscripts for the library and 30 manuscripts for the public in the previous year. Statements II & III will shew the number of manuscripts in each language and subject copied respectively for the library and the public.

Among the institutions and scholars to whom copies were supplied were the Bhandarkar Oriental Research Institute Poona, the Sri. Vani Vilas Press, Srirangam, The Assistant Archaeological Superintendent for Epigraphy Madras and Messrs. M. Ramakrishna Kavi M. A., V. S. Bendrey, G. G. Burvey and T. Sambamurthi Rao.

6. Steps are being taken for the preservation of manuscripts on paper and palmleaf some of which count their age by centuries. Paper manuscripts are dusted and cleaned and exposed to light and air. Citronella oil and a less costly disinfectant vegetable mixture are applied to palm leaf manuscripts. They not only preserve the manuscripts in good condition but render the writing very clear and legible. Naphthaline balls and packets of indigenous disinfectant drugs are placed on the shelves. Cleaned margosa leaves are placed between the leaves both in cadjan manuscripts and books. Books that have lost their bindings are rebound.

7. The printing and publication of the descriptive catalogue of Tamil manuscripts is progressing. Vol. I. was published in January 1925 and Vol. II during the year under report. The former is priced at Rs. 2 and the latter at Rs. 1—8—0 per copy. The printing of the 3rd and last Vol. is nearing completion and it is expected to be published in a few months. The provision already made in the budget for the last five years is expected to cover all the cost.

8. The committee has again to draw the kind attention of Government to the great importance of the early preparation, revision and printing of a descriptive catalogue of the large collection of Sanskrit manuscripts in this library which the late Dr. Burnell says is "perhaps the largest and most important in the world."

The Government and the Educational Department have recognised the need of such a catalogue. In his letter No. 48/1925—26 dated 11—5—25, the Hony. Secretary brought to the notice of the Director of Public Instruction that the Library staff had already prepared 11,667 descriptive slips till then (foolscap size) and sought his help to have them revised by the Superintendent of Sanskrit Schools or any other competent scholar or scholars as the library funds were too poor to afford to engage competent scholars for the purpose. The committee is obliged to the Director of Public Instruction for his having kindly deputed (Vide Proceedings of the Director No. 846 C. 25 dated 21—5—25) the Superintendent of Sanskrit schools to revise the descriptive slips that had been prepared by the library staff. That officer visited the library thrice during the year under report in June and August 1925 and February 1926. He gave directions to the library staff to revise the slips and himself personally revised a large number of them. The committee understands that he made a preliminary report to the Director of Public Instruction about the middle of February last. The committee farther understands that the Superintendent of Sanskrit Schools has been requested by the Director of Public Instruction to expedite his final

report by the middle of April 1926 when at least the committee hopes that Government will pass final and favourable orders at an early date on the question of the award of an adequate grant, which has been pending from 1919.

The Hon'ble Sir. A. P. Patro the minister for Education visited the Library in August last. The urgency of the matter was also brought to his kind notice.

The committee requests the early and sympathetic attention of Government to this important matter which directly affects the usefulness of the library to the learned public.

9. In addition to the 11,667 descriptive slips mentioned in paragraph 9 of the last year's report, 1,634 slips as detailed in the tabular statement given below were prepared by the library staff during the year under report. Preparation of further slips was suspended in June last and the revision of 3,218 slips already prepared as detailed below was done throughout the remaining months of 1925—26 under the directions of Mr. P. P. S. Sastry M. A. Superintendent of Sanskrit Schools.

10. Provision for the publication of a descriptive catalogue of the Tamil collection having been made as mentioned in paragraph 7 above, the committee has next taken up the preparation of a descriptive catalogue of the Marathi collection. A full time competent scholar M. R. Ry., T. B. Ramachandra Goswamy B. A. has been engaged on an honorarium of Rs. 50/- per month. He began the work in May last and has already finished his descriptive manuscript catalogue for the heterogenous and difficult 'Amanath' section. The committee has provided for the cost of the preparation and publication of this descriptive catalogue in the budgets for the last two years and this—but further provision for the same will have to be made in the next two or more years.

The question of taking up the Telugu and other sections will have to lie over for the present for want of funds at the committee's disposal.

11. Enquiries from scholars were answered, as usual by the Hony. Secretary. Though he was unable to attend the Third All India Oriental Conference held at Madras in December 1924 the Hony. Secretary supplied full details of all that is of importance regarding the library to Mr. P. P. S. Sastry B. A. (Oxon) one of the Secretaries of the Conference who kindly read a paper on the Library at the Conference. The paper has been published as a separate brochure in 1925 as a reprint from the Proceedings and transactions of the Conference. On behalf of the Bhandarkar Oriental Research Institute, Poona the first two adhyayas of the Adiparva of the Mahabharata as found in 19 different manuscripts in the Library 15 on paper and 4 on palm leaf were collated at the cost of the Institute with the text of the above two adhyayas received from the above Institute. The Hony. Secretary supervised the collations which have been pronounced to be "excellent" by the Editorial Board of the Mahabharata.

12. Generous gifts of books and manuscripts from the public and from the Governments of their Highnesses, the Maharajas of Travancore, Mysore and Baroda were received during the year under report as on previous years. They will be found in detail in Statement No. IV.

The Bhandarkar Institute Poona, The Madura Tamil Sangam and the Karanthai Tamil Sangam have been pleased to send a free copy of their Annals and Journals the செந்தமிழ் and தமிழ்ப்பொழில்.

Hand books of English towns and the Christian Herald continued to be received free of cost during the year from Messrs. E. D. J. Burrow and Co., Ltd., Cheltenham, England and the Christian Herald Co, Ltd. London. The Anglo-Marathi weekly Journal The Dnyanodaya was also regularly supplied gratis by the Board of Management of that paper. The committee begs to thank the above donors and also the Government for the free supply of some of the publications laid on the Editor's Table as well as those of the Agricultural and Archaeological Departments of the Government of Madras and of the Government of India.

13. Within the very limited funds of the Library, purchases of books and manuscripts and periodicals were also made during the year. Statement No. V. gives details of the books and manuscripts and periodicals purchased.

It may be noted that two manuscripts (1) Garudapanchakshari Kalpa and (2) Jyotishaphalaratna were got copied from the Government Oriental Library Mysore, as these works were not available here.

There is a library of Sanskrit manuscripts of palm leaf at Arayapuram, near Malliam Railway Station in the Mayavaram Taluq which is said to contain some rare works. Access to it is not easy; efforts are being made at least to take out copies of such of the works as are not available in this library.

The committee was able to allot only Rs. 350 in the year under report for the purchase of books and manuscripts and periodicals. Deducting therefrom about Rs. 150 paid for books and periodicals till September 1925, application was made in that month to the Director of Public Instruction through the Superintendent of Sanskrit Schools for a grant of Rs. 200 in addition to the equal sum which the committee would find, for the purchase of books for 1925-26, but no grant was made on the ground that the application was received too late for inclusion in that year's grant. The committee therefore purchased books from its own allotment for that year. Application will again be made early in 1926-27 for a similar grant, through the District Educational Officer, as required by the Director of Public Instruction in his letter L. Dis. No. 187-B/26 dated 26-1-26 and the committee hopes he will be pleased to sanction the grant.

14. The committee accepted with thanks the generous offer made personally by Rajah Sri Sivaji Raja Sahib, Senior Prince of Tanjore of a bronze bust of Admiral Nelson and the offer made by him and other successful claimants to the Tanjore Palace Estate in O. S. 3 of 1919 on the file of the District Court West Tanjore, of the marble Statue of Maharaja Serfoji. The latter offer was only provisionally accepted pending the orders of the Court and of the Government; and the Collector of Tanjore was informed that the committee is prepared to accept the Statue if the Government will be pleased to maintain the Statue Hall in which the Statue stands, in good repair as the library funds are too poor to do so and as there is no accommodation inside the library for the Statue and for its large pedestal "a magnificent gneiss measuring 18 by 16 ft. and over two feet thick". The committee understands that the Collector has addressed the Government in the matter. The committee requests the Government will be pleased to accord the necessary sanction as the Statue and the hall where it stands will be appropriate additions to the library which bears the honoured name of Maharaja Serfoji.

15. The committee begs to thank Government for having provided glazed shutters to three of the Library's southern windows through which rain water was beating in.

16. An audit clerk of the Treasury Dy. Collector's Office whom the Collector was pleased to nominate on the committee's request audited the accounts of the Library for the year under report and found them correct. Statements VI and VII contain the details in tabular form of the library's receipts and disbursements.

17. The committee desire again to place on record its appreciation of the zeal and energy displayed by the Hony. Secretary Mr. T. Sambamurthi Row in the conduct of its affairs.

(Passed at the committee's meeting held on 3-5-1926).
