[Despatch Abstract.]

Indian Educational Service.

A list of posts kept in abeyance--forwarded to Government
of India.

No. 870-Edn.

Government of India.

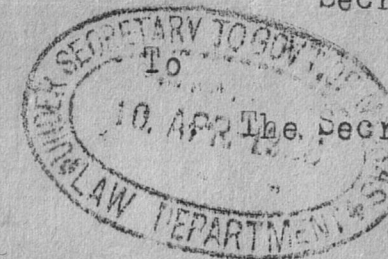

Department of Education, Health and Lands.

Delhi, the 6th April 1926.

From

J.W. Bhore, Esq., C.I.E., C.B.E., I.C.S.,

Secretary to the Government of India,

The Secretary to the Government of Madras,
Law (Education) Department.

Indian Educational Service appointments.

Sir,

I am directed to refer to your letter No. 79 Mis., dated the 18th January 1926, and to say that the intention underlying the orders conveyed in this Department letter No. 1398, dated the 11th July 1924, was to avoid any officiating appointments being made by the local Government to the Indian Educational Service, even for periods not exceeding six months, until rules are issued under section 96 B(2) of the Government of India Act placing local Governments in full control of their provincial and subordinate services. The Government of India will therefore be glad if no officiating appointments are made to this service in future.

2. As regards the question of the holding of posts in the Indian Educational Service in abeyance, I am to explain that the decision of the Secretary of State applies only to those posts which, owing to financial stringency, local Governments are unable properly to maintain, and not to appointments held, or to be held, in abeyance for other reasons. Should any post have been held in abeyance by the Government of Madras otherwise than on account of financial stringency, I am to request that the Government of India may be furnished with a list of such appointments, together with reasons for this course of action,

2. Statements showing the periods for which posts in the Indian Educational Service (both men's and women's branches) were held in abeyance and the circumstances necessitating this course, as far as information is available in this office, are enclosed. They include all the items in the Director of Public Instruction's list except item 23 thereof which is omitted as the post was not held in abeyance but merely kept vacant.

It will be seen that except perhaps in the case of items 13 - 16 of this office statement (men's branch) the other posts had to be held in abeyance on account of the restriction that officiating appointments cannot be made by Local Government even for periods not exceeding 6 months. As a result of the orders in paragraph 2 of Government of India letter No. 870 Edn. dated the 6th April 1926, viz. that the Secretary of State's sanction should be obtained to hold in abeyance posts in the Indian Educational Service for reasons other than financial stringency, in the absence of a leave reserve to provide for leave vacancies, either officiating appointments to the Indian Educational Service will have to be made or the posts will have to be held in abeyance, temporary appointments in the Provincial Service being made to carry on the duties of officers
