From

Khan Bahadur H. H. Md Abdul Azeez Sahib Bahadur,

Secretary and Treasurer, (Correspondent)

Muslim High School Council.

Secretary to Government,

Department of Education,

Madras.

Sir,

I beg to submit that the Muslim High School, Triplicane opened on 18-6-1924 by His Excellency the Governor of Madras was in previous years, styled the Harris High School, Royapettah, and was taken under the direct management of the Government in 1923-24 when the Muhammadan Educational Association of Southern India paid a contribution of about Rs 2400 to the Government towards its upkeep. From 18-6-1924, it is managed by a council of trustees who find it difficult to manage it without a very large share of Government aid.

As previously stated, the Association paid a contribution of about Rs 2400 in 1923-24. For 1924-25 the management had to bear a net cost of Rs 8788 towards which the Director of Public Instruction was pleased to award a grant of Rs3436 in 1924-25 and in 1925-26, which sum included the advance grant of rs 800 paid in 1924-25. For 1925-26, the management shall have to meet a net cost of another Rs 8000/-.

I therefore request that (1) the sum of Rs 800/- paid as advance grant in 1924-25, be not included in the total grant admissible for the school for 1924-25 and paid in 1925-26.

(2) That the contribution of about Rs 2400/- made in 1923-24, for the Government Harris High School may be reimbursed by the Governemnt to the management for the upkeep and equipment of the school either in a lump sum or in three equal instalments of the Rs800/- the first of which may be considered to have been paid

-2- *2* *paid* *3*

in the shape of the above mentioned advance grant of Rs 800 in 1924-25.

(3) That the loss of fee income foregone in the shape of concessions ~~having been~~ allowed to certified poor pupils of backward classes and depressed communities as per Rule 92 of the Madras Educational Rules be fully reimbursed to the management so that this full reimbursement may, with the grant otherwise payable amount to the actual full net cost.

(4) That a more liberal grant be sanctioned for this school for 1924-25 so that the total Government aid may come up to the actual full net cost to the management.

(5) Till the scale of salary to the staff is made sufficiently attractive for capable and qualified teachers being entertained and retained, a decent amount of special teaching grant be sanctioned this year for this school as a special case in addition to the small sum of Rs 309/- paid this year as special Teaching grant.

I further request that such a favourable treatment be accorded to this school for 1924-25 and for a few ~~more~~ years *more*, till this infant institution manages to arrange for sufficient endowment for its upkeep and equipment without appealing to the Government for such special aid beyond what is payable according to the Grant-in-aid code rules.

I beg to remain,

Sir,

Your most obedient Servant,

M. Abdul Aziz Salih

Resubmitted.

2. The Secretary and Treasurer, Muslim High School Council requests that

- 1) the advance teaching grant of Rs. 800 sanctioned to the school with reference to G.O. No. Mis: 292 Law (Education) dated 26- 2- 25 be not deducted from the total teaching grant payable to the school for 25- 26
- 2) The amount of Rs. 2400 paid to Government by the Muhammadan Educational Association of South India towards the maintenance of the school in 23- 24 be reimbursed to the management for the upkeep and equipment of the school in a lump sum or in three equal instalments of Rs. 800 each the advance grant of Rs. 800/-

Rs.800/- referred to above being treated as the first instalment of reimbursement.

3) the loss of fee income to the school under rule 92 of the Madras Educational Rule be fully compensated

4) a liberal teaching grant to the school be sanctioned for 25-26 and (5) also a liberal special teaching grant to the school be paid for 25-26.

2. The facts relevant to the above points are as follows:-

The Church Missionary Society having decided to discontinue the management of the Harris High School Royapettah; after the school year 1922-23; the Muhammadan Educational Association of South India; in the interests of the Muhammadan pupils in the vicinity of the school; arranged with the mission society to take over the management of the school.

3. As the above arrangements could not be effected early and as immediate arrangements for the continuance of the school were found necessary Government agreed to take the institution under departmental management temporarily for the period from 25th June 1923 up to the end of April 1924 on condition that the Muhammadan Educational Association paid Rs.3000 to Government towards the maintenance of the school during the period.

4. The Association accordingly paid on 25-6-23 Rs.3000 and Government sanctioned the taking over of the school temporarily under departmental management. It will be observed in this connection that the contribution made by the Educational Association was Rs.3000 and not Rs.2400/- as stated in their letter now under reference vide G.O.No.1888 Law(Education) dated 8-8-23.

5. Subsequently in their order No.222 Law

No.667 Law(Education) dated 1-5-1924, Government directed that the Harris High School be continued under departmental management up to the 17th June 1924 and that the school be handed over to the Muhammadan Educational Association with effect from 18-6-24. The association accordingly took the school under their management on 18-6-1924.

6) Having taken the management of the school in June 1924 the association applied to the Director for a teaching grant in November of the same year. As the request was not in consonance with the provisions of article 37 of the Grant-in-Aid Code, in as much as the school had not then worked for a full year on the basis of which grant is assessed, Government was addressed to sanction an advance teaching grant of Rs.800 to the school to be adjusted against the grant payable to the school in 25-26. (Vide my letter to Government R.O.C.No.132 D/25 dated 13-2-25. Thereupon Government sanctioned the advance applied for in their order No.Mis.292 Law(Education) dated 26-2-25 and the same was sanctioned by me for payment and subsequently deducted from the net teaching grant due to the school for 25-26.

7. It will thus be seen that the Muhammadan Educational Association took the management of the school on a definite undertaking to the effect that they would pay Rs.3000 towards the maintenance of the school and as such I see no reason why the condition should now be relaxed. The school has since then been given a grant of Rs.4,346/- towards equipment and in view of this also the request of the Secretary Nos(1 and 2) referred to supra are not reasonable.

8. As regards his request No.3, the school will be given full compensation for the entire loss of fee income on account of the grant of fee concession to Backward class pupils under rule 92 of the Madras Educational Rule. In 25-26 the net loss of fee income

9. As regards the requests of the Secretary Nos.4 and 5 it is submitted that the school has been and is being treated quite liberally.

ORDER.

No. 1064, dated 7. 6. 1926

Mis.

The Correspondent, Muslim High School, Triplicane, requests

(1) that the ^{advance} of teaching grant of Rs. 800/- paid to the school in 1924-25 ^{may} ~~was~~ ^{be} deducted from the total teaching grant payable to it in 1925-26;

(ii) that the contribution of about Rs. 2,400 made by ~~The~~ Muhammadan Edl. Association of South India towards the maintenance of the school in 1923-24 ^{may} ~~be~~ reimbursed ~~#~~ to the management ~~#~~ for the upkeep and equipment of the institution either in a lump sum or in three equal instalments of Rs. 800/- each, the advance of Rs. 800 referred to above being treated as the ^{first} ~~was~~ instalment of the reimbursement;

(iii) that the loss of fee-income to the school under rule 92 of the

9
Madras Educational Rules ^{may} be made good by Government in full;

(iv) that a liberal teaching grant ^{may} be sanctioned to the school for 1924-25 so as to cover the entire net cost ^{of the school} ~~of the school~~; and

(v) that the special teaching grant already sanctioned for the school for 1925-26 ^{may} be increased as a special case.

2. Requests Nos. (i) & (ii) - Advance of teaching grant and the Contribution made by the Muhammadan Educational Association.

(F)
In G.O. No. 1088 Law (Edn), dated 6th August 1923, the Government agreed to take the institution under departmental management temporarily for the school year 1923-24 on condition that the Muhammadan Educational Association paid Rs. 3,000 towards the maintenance of the school during that year. This amount was contributed by the Association and the institution was maintained under departmental management up to 17th ^{June} ~~January~~ 1924. The Govt. do not consider that there is sufficient justification for a relaxation of the condition on which the school was taken over under departmental management. Further, they understand that since its transfer to the present management, the school has received a ~~grant~~ of Rs. 4,346 for equipment. In these circumstances, the Government are unable to accede to the requests of the Correspondent regarding the adjustment of the advance and the

10
reimbursement of the contribution made by the Muhammadan Educational Association.

3. Request No. (iii) - Compensation for loss of fee-income under rule 92 of the Madras Edl. Rules

1707
The Director reports that in 1925-26 the net loss of fee-income to the management under the rule mentioned above was Rs. 3,223 and that against this, the school has already received a grant of Rs. 2,829 inclusive of the advance of Rs. 800/- referred to above. The balance of Rs. 394 will be paid in the current year.

4. Requests Nos. (iv) & (v) - Payment of liberal teaching grants both ordinary and special.

The Government understand that the school is being treated liberally in ^{respect of} ~~the~~ payment of grants so far as the rules allow and the funds permit.
