The Secretary to the
Finance Department,
Government of Madras.

I have the ambition of undergoing higher education in the line I have chosen, I beg to place before you the following for your kind perusal and consideration.

I am in my twenty-second year; a Brahmin Hindu by birth, and I belong to the Tanjore District of the Madras Presidency. My father was a land-holder in the same district. I am the nephew of N. Sethurama Ayyar Esqr., the retired Assistant Accounts Officer of the Government of Madras and also of Rao Sahib N. Kailasa Sarma, the Senior Superintendent of the Government Secretariat, Madras.

I am a graduate in commerce of the Bombay University and I have specialised in Advanced Accounting and Auditing. I was placed in the Second Class in the B. Com. degree Examination held in March this year and I also won the Billimoria Gold Medal for having stood first in Advanced Accounting and Auditing.

I have the desire to article myself under and Incorporated Accountant here for three years and then to proceed to London to pass the Examinations of the Society of the Incorporated Accountants and Auditors. I shall therefore be in a position to offer my services to the Government of Madras, either in the Income-tax Department or any other Department wherein I may be taken about the middle of the year 1930. I have therefore to ask whether I stand eligible for any Scholarship from the Government of Madras for these four years under any agreement which you may require me to enter into.

You may write to Principal M.L.Tannan, B. Com. (Birm.)
Bar-at-Law, I. E. S., and Professor S.S.Engineer, B.A., F.S.A.A.,
Professor of Accounting of the Sydenham College of Commerce and
Economics, Bombay, as to my character and ability.

I shall be very glad to go over there to see you in person,
if you care to give me an appointment for interview.

I beg to remain,

Sir,

Yours most respectfully,

S. S. Karam

Bombay, 21st May 1926.

C.No.1643 C - From S. Sitaram, Sydenham College, Bombay, dated 21-5-1926.

Scholarship for advanced study in Accounting and Auditing.

Provision ^{has been} made in the current year's budget for the award of two scholarships tenable in the United Kingdom. These have already been granted. The Government have not hitherto granted foreign scholarships for advanced study in Accounting and ~~and~~ Auditing. For orders whether the remarks of the D.P.I. need be invited on the present application.

There is no specific provision for other scholarships in the current year's budget. There is no purpose in considering the question of provision unless the Govt. are disposed to view the present application favourably. We have a number of persons holding the post-diploma in Accountancy, but very few trained in higher accountancy. We may have to open a second Institute for the Chartered Accountants. Some trained men in higher accountancy may be desirable.

I am afraid nothing can be done: there is no provision in the budget

The Applicant does not refer to University & Grants paper - 34 is for a professional Scholarship
