From (Name) R Littlehailes Esquire, M.A.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to report for the information of Government that on the advice of the District Health Officer, Rammad, orders were issued on the 17th ultimo for the temporary closure of the Government Girls' School Rammad and Government Training School for Masters, Rammad on account of plague until such time as the town was free from infection. The District Health Officer has stated on 13-1-26 on a further reference that the locality in which the Government Training School, R amm ad, is situated is not yet free from plague and as such he is unable to certify that the schools might be reopened at Rammad

As however the public examination for the Senior Training students commences early in March 1926 and as it

is apprehended that the school work will suffer by the continued closure of the school, I have instructed the District Educational Officer, Ramnad to arrange for the temporary transfer of the staff and training students of the training school to Dindigul after ascertaining definitely from District Health Officer and the Collector if necessary that the town will not be free from infection for a reasonable period.

I have the honour to be,

Sir,

Your most obedient servant,

J. C. Chinnappa
