No. G. 945

Office of the Inspector-General of Prisons, 26/12/25
Ootacamund, dated the 23rd December 1925.

Read the following:-

Extract from the Visitors' Book of the District Jail, Palamcottah dated the 16th December 1925.

Observations of the Visitor:-

Visited the jail. The School was having examination by an outside teacher experienced in teaching. The convicts were seen also at Drill, Hockey, play, wrestling, Badminton and First Aid. Everything was done neatly and well. Mr. Balasubramania Mudaliar who was an instructor in these functions was very smart and brisk and I wish that the Gymnastic instructors of the High Schools in the District copied his general demeanour and smartness. He played with the convicts who felt quite at home with him. I am very much impressed with the excellent tone and discipline prevailing in the jail. The Superintendent is looked upon by the convicts as a parent as is seen from the deference shown to him and from the loving eyes of the convicts. I have very great pleasure in suggesting that the Physical Director to Government may be asked to visit the jail and issue certificate of proficiency to such of the convicts as are good in drill and are also of good character.

(Signed) K.V. Subbiah
District Educational Officer.

Remarks of the Superintendent:-

This is done to watch the progress of the School.

This is a good suggestion. The Director may be requested to include his visits to jailschools in his tour in the Presidency and offer his remarks and suggestions on the physical training given to inmates.

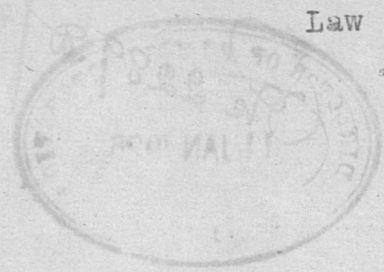

(Signed) M. Gurunathayya
Superintendent.

Copy forwarded to Government for information. The District Educational Officer's suggestion in regard to the Physical Director to Government being asked to visit the Borstal School, Tanjore, and the Palamcottah District Jail, is a good one and may be given effect to.

~~Submitta~~ The I.G. now suggests that the Physical Director should visit both the Borstal School, Tanjore and the District Jail, Palamcottah but not ~~apparently~~ to issue certificates of propiety to the inmates as suggested by the D.E.O. as no mention is made of this in the I.G.'s recommendations. The I.G.'s proposal may be supported in this Dept. and the file passed on to Law (Gen) for necessary action.

It seems that the ~~The~~ Advisor to Government on Physical Education is already examining the students of the Borstal Institute, Tanjore, and of the Reformatory School, Chingleput, on the 'Handbook of Physical Activities' and issuing a statement over his signature. There does not seem to be any objection to ~~his~~ *his* visiting ~~the District Jail, Palamcottah also~~ *the District Jail, Palamcottah also*. The remarks of the D. P. I. may be invited u.o.
