Ref.--- G.O.No.106-Law-Educn., dated 25-1-26 - Elementary

sanction solicited for incurring of expenditure.

The Municipal Council while accepting the introduction of compulsory elementary Education for boys of school-age in this municipality in January 1925, agreed to the provision of a supervisor of Elementary schools on a scale of Rs.50-2-70 with a cycle allowance of Rs.5 per mensem. The Government accepted the council's proposals in their order No. 940 -Law-Educn., dated 5th June 1925 without deleting the provision made for the supervisor of Elementary schools. The appointment was filled up on 21-11-1925 and the supervisor has been given a schedule of duties, a copy of which is enclosed. He was also directed on 30-1-26 to superintend all the other schools under private management by examining the attendance registers etc., in order to facilitate the verification of the claim made for compensation of fee income etc. It will be noted that the nature of duties assigned to the supervisor are such that they are closely connected with the course of instruction & diffusion of elementary education and the object of his entertainment in general would accelerate the expansion of education by his bringing under instruction all boys of school-age. Further he is expected to give model lessons etc., in the schools in addition to his scrutinizing the syllabus of each class. He is also given an attendar on Rs.15 per mensem with effect from 13-12-25 to assist him in the matter of taking preliminary census of boys of schoolage and such other scriptory work of a routine nature. The council considers these two appointments are indispensably necessary to make the compulsion scheme a success.

In the circumstances, I request that the Government will be pleased to admit the expenditure incurred towards the salary of these two servants from the Elementary Education fund.
