Sir,

I have the honour to forward herewith the budget estimate of receipts and charges relating to the Elementary Education Fund of this Municipality for the year 1926-27 along with the revised estimates for the year 1925-26.

A copy of the council's resolution sanctioning the budget is enclosed.

Agreeably to the instructions contained in G.O.No. 106 Law (Education) dated 25-1-26, the Council has sanctioned the debiting to Elementary Education Fund the cost of one Accountant, one tax clerk and 10% of the collection staff. I may in this connection be permitted to point out that the

the general funds of this Council are not in a satisfactory condition with the result that other ear-marked funds have been drawn upon to enable the council to meet its ordinary expenditure and in spite of all efforts made during the last two years, the Council has not yet been able to return to the funds concerned, the sums diverted as mentioned above, for expenditure which should ordinarily be met from its general funds. The Council after mature consideration has made in the revised estimates for 1925-26 and in the budget estimates for 26-27 provision for the salary of one accountant on Rs. 30/- per mensem one tax clerk on Rs. 30/- per mensem and for 10% of the cost of the collection staff, amounting to Rs. 720/- in order to relieve the general funds of the Council from being debited with the charges which should legitimately be borne by the Elementary Education Fund. The staff referred to above is absolutely necessary for the maintenance of accounts relating to the Elementary education fund and the Council therefore requests that Government be pleased to sanction the incurring of the expenditure from the elementary education fund both during 1925-26 and 1926-27.

C. No. 1588 C - From the D.P.I., R.O.P. No. 16 H-3/25-26
dated the 17th May 1926.
Elementary Education Fund - Municipal Council, Nega-
patam. Budget - 1926-27.

In connection with the financing of the
scheme of compulsory education in the municipality
the council undertook to provide a sum of Rs. 7,100
annually from its funds. This sum has been provided
in all the three years.

The council proposed to debit the cost of
the following staff to the elementary education fund:-

(i) an accountant

(ii) a tax clerk

(iii) ten per cent of the collection staff.

In the case of the Municipal Council, Kumbakonam,
in G.O. No. 120 L. E., dated 27-1-1926 it

has been ruled that no special establishment is neces-
sary for the collection of education cess. The
council may therefore be informed that the cost on account
of items (ii) and (iii) above should not be debited
to the elementary education fund. Sanction may be
accorded to the employment of a clerk to maintain the
accounts relating to the elementary education fund.
vide G.O. No. 120 L. E., dated 27-1-1926 and 1025 L. E.,
dated 3-6-1926.

A draft order is submitted. It may be sent
to L.S.G. for acceptance.

(ii) The credit taken for Government contribution under the proviso to section 37 of the Act in the revised estimate for 1925-26 should be raised to Rs. 10,434. ~~The amount entered~~ ~~the credit taken~~ under the same item in the budget estimate for 1926-27 will be liable to ~~xxx~~ revision with reference to subsidy ~~that might be paid~~

towards the allowance of Rs. 4 to teachers.

2. Under the procedure laid down in G.O. No. 681 Law (Education), dated 5-6-1922, ^(X11) the education tax is treated as an addition to the general taxes levied by the municipal council and is assessed and recovered along with the latter. The employment of a special establishment for the collection of education tax is therefore unnecessary. The proposal ~~of the municipal council~~ ^{should be} debited ^{heads} to the elementary education fund the cost on account ~~of~~ of one tax clerk and ten per cent of the cost of the collection staff cannot be ~~entertained~~. The Government consider that it would be sufficient to employ a single clerk for the maintenance of the accounts relating to the Elementary Education Fund ~~under the control of the council~~. They are accordingly pleased to permit the council to employ one clerk and to debit his pay to the fund.
