Sir,

Ref.: - G.O. No. 106 Law (Education) dated 25-1-26.

P3cf

I have the honour to submit herewith a copy of Taluk Board Resolution No. 20 dated 9-3-26 sanctioning the appointment of a separate Clerk on Rs. 35-1-50, 50-1-60 (annual) grade from 1st April 1926. The work under Elementary Education has increased very much in recent years and it is found, in practice very difficult to carry on the administration efficiently with the existing establishment. It is a fact very well known to Government that the finances under general revenues of this board is not at all sufficient to increase the staff. At present there are 129 Elementary Schools working and 8 more have

to be opened before the ^{close} of the year. Irrespective of the heavy ordinary work devolved on the present office establishment, the correspondances relating to appointment, transfer, punishments, leave, supply of furniture, ^{works} and equipment, have greatly increased and also the No. of pay bills to be passed and remitted by Money Order and the number D.C.B. Statements to be checked and consolidated requires separate Clerk to attend to all the work connected with Elementary Education fund. The financial position of this -- fund is quite satisfactory and the expenditure on establishment will not affect the other expenditure on Elementary Education. In these circumstances the entertainment of a separate Clerk is highly necessary. I therefore request that the Government may be pleased to -- approve the proposal of the board to entertain a clerk from 1st.

April 26 on the scale suggested.

Sir, In resubmitting herewith the papers referred to me for remarks in Government endorsement No. 1274 A-1, dated 1st April 1926, I have the honour to state that all the schools under the control of the Taluk Board are not adequately accommodated, equipped and staffed. But there are no school-less centres in the area under the jurisdiction of the Taluk Board. In view, however, of the fact that the number of schools under the Board is more than 100 and as the financial condition of the Elementary Education Fund under the control of the Taluk Board is satisfactory, the proposal to debit the pay of a clerk to the
