Sir,

Referring to C.O.No.106 Law(Education) dated 25-1-26 authorising the incurring of expenditure on certain objects on Elementary Education Fund, I have the honour to state that this council has in its resolution No.637 dated 13-3-26 sanctioned the entertainment of a clerk subject to to the sanction of Government, for maintaining accounts etc., in respect of the Elementary Education on a monthly salary of Rs. 30/- I request that the Government will be pleased to accord sanction for the entertainment in the following circumstances. At present there is only one Educational Superintendent who has to attend to correspondence arising from

from all the Municipal schools, to the proper scrutiny of pay and contingent bills of the school, maintenance of service registers of all school masters and other records, besides attending to his out-door inspection work. Further, the census of pupils of school going age in the Municipality having been completed, necessary further action has to be taken to bring the remaining such pupils under instruction. Further more, there yet remains ^{much} ~~more~~ to be done to put the Elementary Education in the Municipality on a practical and satisfactory basis. It is for this, the Government were approached, during the time of my predecessor Mr. R. Krishna-swami Rau, for the ^{free} ~~full~~ services of an officer of the status of the Deputy Inspector of schools, but the Government would not sanction it on some grounds. It is not possible for the Educational Superintendent to cope with the multifarious work single handedly and unless and until he is relieved of his clerical and accounts works, by appointing a clerk, there is no prospect of the efficiency in the schools being improved. It is with this view the council carefully considered and passed the above resolution.

A similar request was made during last year but the Government declined to sanction the proposal in their Memorandum No. 1633/C/25/1 dated 15-6-25. Now since the Government have passed orders that such expenditure can be met from Elementary Education Funds, I am desired by the Council to renew the request.

I request therefore that the Government will be pleased to approve the Council's resolution.

I enclose a copy of the resolution.

The expenditure is proposed to be met from the closing balance of the Elementary Education Budget for 1926--27.

I have the honour to be,

Sir,
Your most obedient servant.

Sir,

p. 1 ante

In re-submitting herewith the papers referred to me for remarks in Government endorsement No. 1378 A-1 dated 10th April 1926, I have the honour to state that the Municipal Council, Tinnevely, has introduced compulsion for all boys of school age resident within the municipality with effect from 1st January 1923 and that there is one Superintendent to work out the scheme of compulsion. The request for the services of an officer in the cadre of Deputy Inspector of schools was not favourably considered.

2. Ordinarily no separate clerk is necessary in Municipalities to maintain the Elementary Education fund accounts as the number of schools in a municipal area is much

3. [In this connection it is submitted that a clerk on Rs.27 -1 $\frac{1}{2}$ -42 per mensem has been sanctioned in the Municipal Council, Kumbakonam which has introduced compulsion for the maintenance of registers relating to the introduction of compulsory Elementary education.)
