①

With reference to G.O. no 106. Law. Edu dated 25-1-26 I have the honor to state that there are now 76 schools working under the control of this Board and it is also under contemplation to start some more additional schools and to strengthen the existing schools.

The present average receipts under Elementary Education amounts to Rs 44500/-
From the above it may be observed that the major portion of the office work to be attended to in the Taluk Board's office is with regard to the accounts and correspondence connected with the Elementary Education. The Board has therefore resolved to incur expenditure on establishment under Elementary Education fund as follows.

1. One clerk on Rs 35-1½-50-1-60.
2. One Muehi on Rs 20/-

A copy of the resolution is enclosed.

I therefore request that the Government may be pleased to approve of the proposal.

Taluk Board, Polur.

under the Board only 15 are held in buildings owned by the Board
but even these cannot be said to provide sufficient accommodation.
Most of them require extension or improvement. As many as 34
schools are held in rented buildings which are usually ill-
ventilated, insanitary and unsuitable. The rest of the schools

The Board now maintains only
76 elementary schools. It has been

Laid down in Lp no 265 L22 18.2.26 (put up in another file)

that no whole time clerk will be necessary if the total number of schools maintained by a local body is less than 100. The D.P.D.
