quoted supra. As the circumstances explained in para 2 of my letter read above, still continue to operate, the Junior Department of the Lady Willingdon Training College has to be continued in the same building, pending the acquisition of certain lands for the college vide my letter to Government No.R.O.C.1718 D/25 dated 8-3-26. In as much as the acquisition of the site under reference and the construction of buildings thereon will take at least a period of three years from now, I recommend that the lease of the building referred to above be renewed for a further period of 3 years from 1-1-26.

2. The Principal of the Lady Willingdon Training College submitted in December 1925, estimates, approved by the Public Works Department amounting to Rs.322 towards the ordinary repairs such as whitewashing etc of the building, which were held over pending a further renewal of the lease of the building I request that Government will be pleased to sanction the expenditure provision for which exists under 31 A(d) Education-University-Government Professional colleges (iv) Training college for Women - works- Repairs in the Civil Budget Estimate for 26-27.

3. As the Principal states that the repairs have to be carried out before the school reopens after the summer vacation ie 28th June 1926 I request the favour of early orders on this communication.

I have the honour to be,

Sir,

Your most obedient servant,

In the linked file there is a proposal that the junior dept of the Lady Willingham Training College, which is now accommodated in a building in Tholasinga perumal Kail Sheet, Triplicane, should be shifted to a new building to be constructed on a site near the Ice House. The Director states that it will take at least three years for the buildings to be constructed and recommend that the lease of the present building which terminated on the 1st January 1926 may be extended for a further period of three years from that date. The Director's proposal may be sanctioned.

One of the conditions under the lease is that ordinary repairs, whitewashing, etc. should be executed at Govt Cost. The Director requests sanction to the incurring of an expenditure of Rs 322 on repairs in the current year. The expenditure may be sanctioned.

A draft order is submitted. It may be sent to Finance for acceptance.
