Sir,

Submitted to Government Law (Education) department for orders.

2. Attention is solicited to G.O. No. 1117 Law (Education) department, dated 8th August 1923 passed on the Director's endorsement R.C. No. 1564 C/23, dated 18th July 1923.

Through

The Principal,
Teachers' College,
Saidapet.

Sir,

It is probable that my present illness will necessitate my taking long leave, and I am afraid that according to the rules I may lose my acting appointment in the I.E.S.

This would of course be a great pity as I have put in a service of 5 years and 8 months in the I.E.S. as Principal, Government Victoria College at Palghat and Vice Principal in the Teachers' College Saidapet. My first appointment to the I.E.S. dates from so far back as 1st September 1920. I may be permitted to point out that many who were taken into that service after 1st September 1920 have been confirmed and some of them are men whose academical qualifications are inferior to mine. When the first batch of officers taken into the I.E.S. in 1921 were confirmed under the orders of the Secretary of State I was not included in the list through a mere misfortune, because orders for the imperialisation of the principalships

2 3
of second grade colleges had not been received at that time, but were received only a little later though retrospective effect was given to those orders from 1st September 1920 i.e. a date previous to that on which the first batch of officers confirmed in the I. E. S., referred to above were first taken into that service on probation. Justice, equity, and fairness therefore obviously require that I should be treated on the same basis as the above mentioned officers.

My work both as Principal, Victoria College, Palghat, and as Vice Principal, Teachers' College, Saidapet, is well known to the present Acting Director of Public Instruction who will therefore be able to judge on first-hand knowledge whether or not I deserve to be confirmed.

I am writing this request at present in spite of the Government of India's orders on the Lee Commission report as, unless I am confirmed, my present long leave may not only lead to the loss of my acting appointment but must lead to a reduction in my leave allowance and in case I have to retire later on will reduce considerably the amount of gratuity to which I shall be entitled.

If Government should be pleased to view my case with favour and be inclined to obtain the sanction of the Secretary of State to include me in the list of officers taken into the I. E. S. on probation in 1921 and subsequently confirmed, and grant me confirmation also, as a special case, Government would

31 4
thereby be only rectifying an omission while I should be materially benefitted in respect of my leave allowance and gratuity.

I request you will be pleased to consider my case with sympathy and make a favourable recommendation on my behalf to Government and get me confirmed in the I. E. S.

I beg to remain,
Sir,

Yours most obedient servant,

P. Shankunny

Mr. P. Shankunni - officiating
Vice Principal of Teachers' College -

Petition requesting confirmation in the
I.E.S.

[C/O 2039A].

From the D.P. & N.R.C. No 835 C/26 d 28/5/26

Please see the petition of Mr. Shankunni
officiating Vice Principal of the Teachers
College, now on leave. He requests that
he may be confirmed in the I.E.S.

In 1923 he sent a ~~petition~~ ^{detailed}
petition to Govt and one of his requests
then was that he should be confirmed
in the I.E.S. After due consideration
of his case orders were passed in G.O.
1117 Law (Con) d 8-8-23 stating that
the Govt were not able to entertain his
request for ~~an~~ immediate confirmation
in the Indian Educational Service.

He now requests confirmation
in the I.E.S. on the ground that if he is
not confirmed in that service his leave
salary will be reduced, if he were to ^{go on} ~~take~~
long leave, and that there will be a
^{large} ~~great~~ reduction in the amount of gratuity.
