In modification of this office letter No. 1-T.M. 10-3323-44 dated 23rd January 1925, I state that the final balance to the credit of your Board according to the books of this office to the end of March 1924 is Rs 7,440-10-8 and that this will be adopted as the opening balance for 1924-25. The difference between the figure now communicated and that reported in this office letter Ref.No. 10-3323-44 dated 23rd January 25, is due to the readjustment of Rs 37980-0-0 representing amounts credited to your Board in the months of January 1924 to March 1924 on account of Land-cess and Educational cess in excess of the amounts actually collected and not written back. This difference was previously debited to the District Board as a tentative measure pending receipt of details from the Treasury Officer as to the apportionment of the amount to the several local Bodies in the District. These details have now been received, and the final figures now communicated should therefore be adopted.
