No. 780-E/
26-2, dated 8th May 1926

Sir,

ENCLOSURES

Reference Mr. Mullings' letter No. 2916 E/25-4, dated 19-3-1926 and G.O. No. 374-W, dated 31-3-1926-Reversion of M.R. Ry. L. Venkatakrishna Ayyar, Executive Engineer, to the P.W.D.

SPACE COPIES

The Superintending Engineer, Cauvery Metur Circle, urges again that in order to facilitate due progress of the project works, M.R. Ry. L. Venkatakrishna Ayyar, Executive Engineer, should be placed in charge of the Mechanical side of the work at Metur, having regard to its nature and importance. The Superintending Engineer presses for the reconsideration by Government of their decision that M.R. Ry. Venkatakrishna Ayyar should continue for sometime in the College of Engineering, Guindy.

The Chief Engineer for Irrigation is strongly of opinion-and I agree- that an officer of M.R. Ry. L. Venkatakrishna Ayyar's ability is very urgently required at Metur. It is therefore requested that, in the interests of the Project works which Government no doubt wish to be pushed on with on right lines, very early arrangements be made for the reversion of M.R. Ry. L. Venkatakrishna Ayyar, Executive Engineer, to the P.W.D.

If the Education Department experience any difficulty in securing a suitable officer to take the place of M.R. Ry. L. Venkatakrishna Ayyar in the College of Engineering, Guindy, the services of M.R. Ry. M. S. Tirumalai Ayyangar, B.E., Assistant Executive Engineer, may be lent to that Department temporarily. He is a passed Mechanical

2/ Engineer of the College of Engineering, Guindy and has put in about five years' service. I consider him to be suitable for the post of Professor of Mechanical Engineering in the College.

Phanumayalulu

P.T.O

As regards the relief of Mr. Venkatakrishna Ayyar

from the College of Engineering attention is invited to (B)
the correspondence ending with G.O. No. Mis. 218-L.E., dated
12-2-1926 and to the recent correspondence regarding the
staff of the College in general. Without prejudice to
a consideration of the personnel of the College staff,
I have no objection to the reversion of M.R. Ry. L. Venkata-
krishna Ayyar to the P.W.D. and to the posting of M.R. Ry.
Tirumalai Ayyangar. The officiating Principal of the
College states that the substitute suggested by the
P.W.D. has the necessary qualifications.

(Law/Sec)

1959A
H. C. 1054
27/5/26.

The services of Mr. Venkatakrishna Ayyar
may be replaced at the disposal
of the P.W.D. and that Department
may be asked to spare the
services of Mr. Tirumalai Ayyangar.

2. A draft order is submitted. It

may be sent to P.W.D. for acceptance.
That Department will also state what
the present emoluments of Mr.
Tirumalai Ayyangar are and what
pay should be fixed for him in
P.W.D. service.

RA
30/5

M² should see please
P.W.D. H. 5

The draft may be accepted.

The present emoluments of Mr. S. Tirumalai Ayyangar
are Rs 575 (pay) plus Rs 100 (Presidency allowance). If posted to the charge
of a division he will draw pay in the lower scale which means an
increase of Rs 100 a month. The post of Professor of Mechanical Engineering
at Guindy is a responsible one. The CE may be asked to suggest
what pay he should receive while employed in the college.
(W.T. Ayyangar)

RA
1.6.26

I would suggest
that he should draw the same pay as he
will draw in a Division (viz. Rs 675 per m).
He will not be eligible for Presidency allowance if he
resides at Guindy.

Is this suitable? Sry
1/6

P.W.D. 5381 A/2
1-6-26.

C.E.

He may be given the same pay
as he would get if in charge
of a division.

cur
7.6.26

I have ascertained from A.S. P.W.D. that Mr. T will draw his next increment on 1st June 1927 when he will draw Rs 725. It seems enough if

provision were made for this alone for the present. In the meanwhile questions about the service & recruitment would have been settled.

Finance (E.T)

The case relates to the appointment of Mr.

Tirumalai Ayyangar, Asst. Executive Engineer, as Professor of Mechanical Engineering in the Engineering College, Guindy, in place of Mr. L. Venkatakrishna Ayyar who is to be reverted to P.W.D. and the fixation of his pay while holding the post in the college. M-2

and H.E. the Governor have approved the appointment.

2. The post of professor of mechanical Engineering in the Engineering College is included in the I.E.S., but the I.E.S. post is now held in abeyance with the

Go. 218 Law (Edy)
12.2.26

sanction of the Secretary of State and a special post outside ^{the} any cadre has been created. Mr. Venkatakrishna Ayyar's pay in the special post was fixed with reference to the emoluments he would draw if he were appointed to an I.E.S. post.

cf. p 12 of Go. 505 Law (Edy)
26.8.24

A

3. The P.W.D. and the Law (Edn) Department

propose to fix the pay of Mr. Tirumalai Ayyangar, who is now drawing Rs. 575 as Asst. Executive Engineer, at Rs. 675 in the special post. This is the amount which he would draw if he were appointed as Executive Engineer. It is urged that the post of professor of Mechanical Engineering is a responsible post. It is submitted that it does not seem necessary to adopt a different principle in the present case. The principle adopted in the case of Mr. Venkatakrishna Ayyar may as well be adopted here.

Mr. Tirumalai Ayyangar will then get Rs. 600 as professor of Mechanical Engineering against Rs. 575 now drawn by him as Asst. Executive Engineer. He has put in about five years' service as Asst. Executive Engineer and if this service had been in the I.E.S. he would be eligible for a pay of only Rs. 600.

For orders whether it would not suffice if his pay is fixed at Rs. 600 up to 1-6-1927 and Rs. 650 thereafter. If at any time Mr. Tirumalai Ayyangar would in the regular line become eligible for Division charge he may be given the pay admissible to him as Executive Engineer.

O. Office
10.6.26

Mr. Venkatakrishna Ayyar at the time of his transfer to the college was already drawing the fixed scale of pay and no increase was therefore proposed in his case. The principle proposed of the chemical engineering being a responsible one, it seems but reasonable that Mr. Tirumalai Ayyar should draw the fixed scale of pay as recommended by the C.E.

14/6

I think so. Mr. Tirumalai Ayyangar has been specially selected for this work which requires a higher standard of professional knowledge than is essential in the case of an A.E. Further, I think I am right in saying that these temporary transfers from an executive to a teaching appointment constitute interruption in an engineer's normal career, and are probably not much sought after.

B

Part no 5385 A/262. Law (Edn) no
15-6-26

I agree with Mr. Slater.
For orders.

See
14/6

V.T.K.
16.6.

M2

C4

The principle suggested at 'A' in p. 6 seems reasonable. There seems the reason to depart from the previous case. In order to avoid the B in p. 7.

The applications may be invited
 to fill in the post into a scale
 attached but analogous to P.S. scale
 and if a special ^{person} ~~person~~ is selected &
 appointed this difficulty does not
 arise -

16/6/26

As the appointment has been made
 I take it that by Hon. Colli
 proposed above relation to
 the vacancies. As I pay
 to accept the loss as suitable.
 It seems reasonable.

16/6/26

may be sub? to the Hon the Minister.

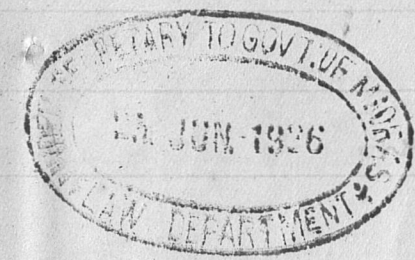

17.6.26

VTK 17.6 M2

An Tribunal Airway may continue
 to act till the place is filled up
 by qualified person. Also a 2 may
 advise of application and a
 special man be selected till
 the place instead of borrowing officers
 from P.W.D. - This will avoid the
 present difficulty arising from
 practice.

18/6/26

Please see Mr's note on
 P.S. ante. He apparently accepts
 the proposal of the Fin. dept. at A
 on P.6 ante. Draft order has
 accordingly been amended. The
 case may be sent to P.W.D. as
 principal for perusal of Mr's note before
 draft is issued.
