 Education fund and has altered the budget for 1926-27. I therefore

From (Name) R.G. Grieve Esq., M.A.,

(Designation) Ag: Director of Public Instruction

To The Secretary to the Government of Madras

L a w (Education) Department.

Sir,

Submitted.

2. With reference to G.O. No. 915 Mis., L.E., dated 18-5-26, the credit taken in the Revised Estimate for 1925-26 for the proceeds of the education tax and for the equivalent Government contribution taken credit for in the Budget Estimate for 1926-27 should both be reduced to Rs. 1649.

3. In the Budget Estimate for 1926-27 credit may also be taken for a Provincial grant of Rs. 662 under capital with reference to G.O. No. 739 L.E., dated 30-4-26 provided the Board is able to complete the construction of the building in the current year.

4. The sum of Rs. 600 provided in the Budget Estimate for 1926-27 under 'clerks and servants' relate to

3
the amount required for the entertainment of a clerk to maintain the accounts relating to the Elementary Education fund. It is reported that there are 46 Board Elementary Schools for boys under the Board, of which 25 are held in rented buildings. Only 26 schools are suitably accommodated. 32 schools are also suitably equipped. According to the Education survey there were 24 school-less centres in the area under the jurisdiction of the Taluk Board, of which 13 have been provided with aided schools. Still there are 11 centres to be provided with schools. In these circumstances and in view of the fact that the number of schools under the Board is less than 100, the proposal to debit the expenditure to the Elementary Education fund is not supported.
