Referring to G.O.No.106 Law Education dated 25th

January 1926, I have the honour to state that two clerks of my office are attending to the correspondences, accounts and returns relating to Elementary Education Fund. Details of work that are being done by them and to be done by them

hereafter, are noted in the enclosed list. It is not possible for a single clerk to attend to all the works connected with the Elementary Education Fund. The subject was placed before the Taluk Board at its meeting held on 17-2-26 and the Board resolved to entertain two Educational clerks out of the sanctioned scale of five clerks in this office. A copy of the resolution is enclosed. The clerks are now drawing a salary of Rs.47 each a month in the scale of Rs.35-35-1½-50-1-60. They are eligible to draw an increment of Rs.1½ from 1-3-26. From 1-4-26, they have to be paid at the rate of Rs.48-8-0 each. The total cost of establishment on Educational work, comes to Rs.97 a month or Rs.100 in round figures.

2. The G.O.No.106 Law Education dated 25-1-26 was received in this office on 10-2-26 after the preparation of the Budget estimate of this Board for 1926-27. The Budget estimate was provisionally passed by the Taluk Board on 25-1-26 and finally sanctioned by the Board on 17th February 1926. Hence this

Your most obedient servant,

proposal was not included in the Budget estimate for 1926-27 of the Elementary Education Fund. However, provision has been made in the Budget estimate of this Board for 1926-27 for the pay of two clerks at Rs.48-8-0 each from 1st April 1926 under General Account Management Staff-Salaries and allowances. As it is quite necessary to depute two clerks solely for educational work, I request you will be good enough to accord sanction to the incurring of expenditure not exceeding Rs.100 towards the pay of two educational clerks under Elementary Education Fund from 1st April 1926 onwards as per G.O. noted above.

2. Budget estimate of Elementary Education Fund for 1926-27 was submitted to the President District Educational Council Salem already.

3. The expenditure on establishment can be appropriated from the Educational Fund receipts--Educational Tax &c., or from other heads of expenditure such as salaries of masters &c., from 1926-27.

4. I request that the Government will be pleased to pass early orders in the matter as the expenditure on establishment is to be debited to Elementary Education Account as per G.O. noted above.

I have the honour to be,

Your most obedient servant,

President.

Sir,

In resubmitting herewith the papers referred to
me for remarks in Government Endorsement No. 1119 A-1
dated 22-3-26, I have the honour to state that there
are 97 elementary schools for boys under the control of
the Taluk Board, Sankari of which only 15 are provided
with buildings of their own. Even these buildings are
badly in need of repairs and white washing. Accommodation
is mostly unsuitable and inadequate in the other schools
under the control of the Board. Many of the Board
schools are ill equipped. The schools opened from the
provincial subsidy granted in G.O. No. 1550 Law (Education)

dated

2. In view of the poor accommodation and equipment of the Board schools as indicated above I cannot support the proposal of the President, Taluk Board, Sankari.
