Sir,

ENCLOSURES

Forms - Boarding grants - Indian Orphanages -

Destitution Certificate - standardization of.

Ref:-G.O.No.Mis.643 Law (Edn.) Dept. dated 17th

April 1926.

In the above G.O. the form of Destitution Certificate has been prescribed for supply to the Collector of Madras, the Chief Presidency Magistrate and to all Tahsildars and Deputy Tahsildars in independant charge in the Mufassal as an Educational form. This will involve the difficulty mentioned below as the form, though under Group Educational, is required by the officers of the Revenue Department etc., Indents for Educational forms are checked and consolidated by the Director of Public Instruction and his annual consolidated indent for these forms is sent to me by the beginning of each year for compliance. In order to get the form printed at the Government Press, only once annually, I should get the indents for the above form also at the same time. It will thus become necessary for these officers to send in, their indents to the Director-of Public Instruction in time for inclusion in his consolidated indent. Revenue Officers indent for Revenue Common and T & A forms and it will be convenient for them if the form is included in any of those groups. As the form is required by none of the Educational Officers, I would suggest that it may be included under the group "Common Forms", so that the officers

officers mentioned in the G.O. may claim it in their annual indent for C.F. If Government approve of this suggestion, I shall submit information regarding the size, description of paper and its serial No. under group "Common Forms".
