Budget Estimate for 1926-27 - Elementary Education

Fund- Taluk Board, Tirukoilur.

Submitted.

The credit taken for Government contribution under section 37 of the Madras Elementary Education Act of 1920 in the

Budget Estimate for 1926-27 should be fixed with reference to the proceeds of the Education Cess actually realized in 1925-26.

3. The credit taken for Government contribution in the budget Estimate for 1926-27 under the proviso to section 37 will be liable to revision with reference to the subsidy payable under G.O.No. 877 Law (Education) dated 23rd May 1925.

4. The provision made under clerks and servants and travelling allowance in the budget estimate for 1926-27 should be reduced with reference to the past actuals.

4. It is observed that the Board proposes to appropriate in each of the years 25-26 and 26-27 a sum of Rs 10000/- towards capital expenditure from the balance available under "ordinary receipts". In view of the large accumulated balance available in the Elementary Education Fund the appropriation may be accepted. The Board should be advised to consult the District Educational Officer before utilising the budget provision..

5. In the revised estimate for 1925-26 a sum of Rs 18240 has been shown as the Board's contribution from general revenues. This amount presumably includes the balance of Rs 5642 referred to in para 2 of G.O.No. 511 R.Law (Education) dated 9th December 1925.

6. In G.O.No. 2014, Law (Education) dated 27th December 1924 a Provincial grant of Rs 5890 has been promised towards the construction of a school building credit may be taken in the Budget Estimate for 1926-27 for the whole or a portion of the amount according as the Board is in a position to execute the
