To

The Secretary to the Government of Madras,

Law Department.

Sir,

I beg to submit the following for your kind consideration and approval.

The following sanskrit books (vide copies of catalogues enclosed herewith) are for sale. The books comprise Srimad Valmiki Ramayana, Veda and Smrithi books having been printed at my own press (the late Vani Vilasa Mandiram press at Palghat). The books are very useful and are necessary in every Hindu Household. The ----- commentaries of the Ramayana are very ancient and rare and one of them Sarvartha Saram is for the first time in print having been originally written by a famous man (Venkateswara Dikshitir about 250 years back) and was printed after obtaining copyright. Kalaprakasika is a very rare and useful astrological book. Panchadasa-prakaranam is another useful book with a good commentary. We sell the books at very cheap rates. For instance, Ramayana alone with similar commentaries are sold at Rs.25 or Rs.30 in other places whereas we sell Ramayana with 11 other books for Rs.20/- The popularity of the books is proved by the fact that during the last two years nearly 50 sets were sold among the prominent people in Madras.

I request you to recommend the purchase of these books for the use of the libraries in the Government institutions so that it may be useful to the many who are not able to purchase them. There are many people who want to make use of the above books but are too poor to buy them and for their benefit it is highly desirable that copies of them should be made available for use.

all Government Institutions.

Appreciations of the books in original from some of
the Gentlemen who bought them are enclosed herewith

Sir,

In resubmitting herewith the enclosures to Govern-
 ment endorsement No. 994 B-1 Law (Education) dated 16th April
 1926, I have the honour to state that the publications of
 M.R.Ry K.S. Narayana Sastrigal are defective in several
 respects though they are cheap. Most of the books included
 in these publications in Grandha script are available in the
 form of Devanagiri editions which are far more reliable and
 much less defective. In these days of critical Sanskrit
 scholarship and critical Devanagiri editions of Sanskrit
 works, these uncritical editions in Grandha script are quite
