Representation of the Madras Corporation
teachers on the Dt. Edl Council, Madras

[CN- 1957] From the Secretary, Madras Corporation Teachers
Association, 24.5.26.

After issue (of acknowledgment)
please put up the paper again for disposal
on merits.

C. R.
31.5.26.

The present constitution of the D. E. C.
Madras, provides for the election of members
by the marginally-noted bodies. The
Madras Corporation Teachers' Association
requests that a seat may be allotted in
the Dt. Edl Council, Madras, to represent
the Corporation teachers. Generally seats
are allowed on a D.E.C. to associations
or other educational bodies only if they
have some interest to be safeguarded.
In the present case, the Corporation
teachers are employees of the Madras
Corporation, which maintains elementary
schools in the city. The Corporation has
already been allotted 4 seats on the Madras

no necessity to allot a seat for the
Corporation teachers, who are not directly
concerned with the management of
elementary schools.

It would not be legal
to give an elective seat
to represent the Corporation
teachers, but it is open
to the Govt to appoint
a representative under
section 5(b) of the Act.

CA
22.6.26

I agree with what is stated in the Secretariat
note. I may further remark that under the proviso
to sub-section (6) of section 5 of the Madras Ele-
mentary Education Act Government can authorise any
private educational body maintaining elementary
schools or any association of managers of elemen-
tary schools to elect one or more persons to repre-
sent it on the Council. The Corporation Teachers'
Association is not an educational body maintaining
elementary schools nor an association of managers
of elementary schools. It is an association of
employees of the Madras Corporation which is
already represented on the Council. ^{Sanction to the} request
made by the association consequently ^{would, it} seems, be
illegal. Further, so far as schools under the
management of local authorities are concerned
the D.E.C. is vested only with the power of grant-
ing or refusing recognition and the Council has
nothing to do with the appointment of teachers
excepting to see that they are qualified under
Rule 2 of the rules framed under section 41(2)
of the Madras Elementary Education Act, 1920. It
is therefore not clear what interests can be safe-
guarded or represented by the representation of
the Corporation teachers on the D.E.C.

A draft order negating the
request of the Association is submitted
for approval.
