Additional Professor of English - Presidency college - Keeping in abeyance.

A Draft letter to the Govt. of India is submitted for approval.

2 Formal orders, on the keeping in abeyance of the post of the Additional Professor of English, in Presidency college, can issue only on receipt of the order from the Govt. of India, sanctioning the proposal. But as the college reopens on the 5th of July, and as arrangements for carrying on the work in the college should be made earlier it is for consideration whether the appointments proposed may be given effect to in anticipation of the sanction of the Govt. of India.

I think so

Please see copy of the communication from the Govt. of India (at flag V) in reply to the Madras Govt's letter requesting sanction for the keeping in abeyance of the post of Deputy Directress of Public Instruction in the I.E.S, a temporary post in the M.E.S. being created in its stead. In this letter the Govt. of India have asked the Local Govt. to review the proposal in the light of the following rulings of the Secretary of State: —

(a) No post in the I.E.S. can be held in abeyance, except for reasons of financial stringency, without the orders of the Secretary of State.

(b) No reduction in the number, or alterations in the character, of the posts at present borne on the cadre of the all-India Services should be made without his sanction, which he will be prepared to give only when he is

satisfied that its effect will be to leave the remaining members of the all-India Services affected in no worse position as regards prospect than they would have been if recruitment for the service had not ceased.

It is submitted that the above objection has ~~appear~~ been raised apparently in view of the fact that the post of Deputy Directress carries ~~an~~ special allowance of^x Rs. 100 ~~[illegible]~~ ~~[illegible]~~ and that the officer in the I.E.S. may have a cause for complaint if the post is kept ~~or post~~ in abeyance. In the present case however, it is proposed to keep in abeyance ~~only~~ a post in the ordinary^x grade of the I.E.S. for the reason that under the recent orders of the Govt. of India no officiating appointments are to be made to the cadre of the I.E.S. It would thus appear that India's objection may not be applicable to the present case.
