(Designation) Chairman, Municipal Council, Srirangam.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

In G.O.No.740 Law (Education) dated 30-4-1926, the Government have ordered that the Elementary Education subsidies due for each month should be adjusted to the credit of the municipalities on the 15th of every month. In this connection, I have the honour to state that the subsidies are usually adjusted by the end of the month, even though claims are preferred to the Treasury Officer by the beginning of the month. Consequently inordinate delay is caused in payment of salaries to school teachers. The subsidies due for April and May 1926 were adjusted to the credit of the Municipality only on 18-6-26 even though claim was preferred to the Treasury Officer on
