Sir,

With reference to G.O. No. Mis. 256 dated 18th February 1926 refusing to accord sanction for the entertainment of a Clerk solely for work connected with Education of this Taluk Board, I have the honour to state that when this Board was bifurcated from Pollachi there were only 23 Schools and the work was being managed by the Establishment of this Office. Now that the number of Schools having risen to about 80 and as there is a proposal to start 30 more Schools, it is

essential

essential that a whole time Clerk should be deputed for this work, as it would be impossible for a Clerk to manage the work along with other work, if the work is to be done in the way in which it ought to be done. As the Bills and correspondence - in this branch of work is increasing day by day, I request that Government will be pleased to ~~reconsider~~ the orders passed - already, as this Board is unable to pay the Clerk from its - General revenues, which is very limited. In this connection I would like to point out that it is highly necessary to entrust the work to a senior Clerk of some standing, as it involves heavy responsibility and as it will be no good to appoint a raw man for this branch of work, I request that Government will be pleased - to sanction the entertainment of a Clerk on a salary of Rs. 60/- per mensem. If it is considered that the whole expenditure - should not be debited to Education Fund, I request that at least Rs. 30/- may be ordered to be debited to that account towards - the pay of the Clerk.

An extract of Taluk Board Resolution No. 51 dated 26-2-26 on the subject is submitted herewith.

I have the honour to be,

Sir,

Your most obedient Servant,

R. Avanashi Goundar

President, Palladam Taluk Board.

In resubmitting herewith the papers referred to me for remarks in Government endorsement No. 1326 A-1 dated 9th April 1926, I have the honour to state that only 14 of the Board's schools are held in buildings of their own and that some of them provide insufficient accommodation. 16 schools are held in rented buildings most of which are inaccessible to Adi Dravidas and otherwise unsuitable. 14 are held in private buildings of which only 6 are suitable for school purposes. 21 schools are held in Chavadies and temples most unsuitable and inaccessible to Adi Dravidas. Many of the schools are not satisfactorily equipped. Three additional teachers require to be employed
