Dear Sir

About a year ago I received a d/o from the Law (Education) Dept. Govt. of Madras asking if, in view of the proposed reprint of the Irrigation Manual of the Madras Engineering College, I would furnish any corrections and alterations which I, as author, would suggest. A copy of the work was sent me with this letter. I returned the copy in Jan^y last regretting that as I was about to leave England for travel on the Continent and had with me no books of reference notes I could not at present undertake such work but offering to do so in time in my return to England -

In June last I rec^d. d/o N^o 2679C/6 127 ⁵/₂₅ from Mr. V. T. Krishnamma Chari of the above Dept. of the Secretariat asking me to forward the Irrigation Manual & suggest corrections & additions for the next edition to be issued. On 21 July I replied advising that I was sending him my copy of the Manual with suggested corrections & additions endorsed on it in

the author's copy of the work will be returned as soon as the Manual is printed. It is at present in the press.

in pencil in the margins -
 I asked for the return of this my private copy
 after corrections had been noted -
 3 I have received no acknowledgment of
 my letter. ~~It~~ or of the receipt of the books
 sent in a separate packet -
 As it is most improbable that both letter
 and book packet were lost in transmission
 I am addressing you as Chief Secretary
 to ask you to enquire regarding the disposal
 of the above & to inform me if my letter
 & books have been received & when I may
 expect a return of the latter -
 As I have had to spend a number of hours
 going through the books making corrections
 I think the courtesy of acknowledgment
 & receipt of my suggestions is due to me

Yours truly

My dear Ellis,

Irrigation Manual - Your letter dated 8-12-1925.

I am desirous to acknowledge with thanks the receipt of your letter dated 21-7-1925 and of your copy of the Irrigation Manual. It was ascertained after the receipt of your copy that the ^{reprint} revised edition of the Manual was already in type and ready for striking; your copy of the manual was therefore sent to the D.P.I. so that he might carry out your emendations in the final proof; it was anticipated that this would occur only a short time and that it would be possible to return your copy of the Manual to you at once; in this, however, the Government have been disappointed as, although 3 months have elapsed, it has been ascertained that the D.P.I. has not yet finished with your copy of the Manual.
