Budget estimate for 1926-27 - Elementary education fund,
Municipal Council, Erode.

R.O.P. No. 22 B-3-3/25-26, dated 12th June 1926.

Submitted.

2. The credit taken in the Budget estimate for 1926-27 for Government contribution under Section 37 of the Madras Elementary Education Act of 1920 will be liable to revision with reference to the proceeds of the Education cess actually realised in 1925-26.

3. The sum of Rs.6,920 taken credit for in the Budget estimate for 1926-27 as Government contribution under the proviso to Section 37 is exclusive of the grant payable if any, towards the temporary allowance of Rs.4.

4. A sum of Rs.500 is shown on the debit side in the actuals of 1924-25 under 'Capital' without any corresponding entry on the credit side. In view of the remarks offered by the Deputy Inspector of schools in para 4 of his endorsement dated 19th April 1926 and as there is a very large closing balance to the credit of the elementary education fund, the council may be advised to utilise the same on the construction of suitable school houses.

5. The sum of Rs.500 shown in the Budget estimate for 1926-27 under 'prizes and scholarships' may be reduced with reference to the actuals of 1924-25.

6. The council has not furnished the annexure prescribed in G.O.No. 1119 Law (Education), dated 10th July 1924.

Resubmitted.

2. In my R.O.C. No 407 of 25, dated 23-12-25, the budget figures relate only to Boys' schools under Municipal management. But in the extract from the Municipal Budget forwarded to me for remarks, figures pertaining to both boys' and girls' schools seem to be included. Hence the wide difference between the two sets of figures.

3. Under the head, 'staff', provision is made for a sum of Rs 300 towards payment of stipends to Teachers. But in his R.O.C. No 161 of 26, dated 29-3-26, the Chairman, Municipal Council, wrote to me that "provision was made in the budget for 1926-27 for that purpose." Presumably the stipend is for women Teachers.

4. Under 'capital' items of expenditure, an amount of Rs 7500 has been set apart for land and buildings. As I have not been informed of the building-programme of the Municipality, I am not in a position to offer my remarks on that item. But I may be permitted to point out, that the Municipality has not so far constructed even one school-house since the introduction

To The Secretary to the Government of Madras,

Sir,

The Budget provisions under provincial contribution as per section 37 of the Elementary Education Act and the proviso thereto will have to be raised to -- Rs.9760/- and Rs.8200/- respectively with reference to para 1 of the above Government Order.

(ii) The provision under prizes and scholarships could not be reduced as the actual expenditure of this item has amounted to Rs.475/- up to now.

(iii) The Government having sanctioned and paid Rs.500/- to this Municipality in 1923--24 for the purchase of library books and maps and this amount having been ---

actually spent in 1924--25 for the said purpose, Rs.500/- was entered on the debit side only (in the actuals for 1924-25).

(iv). The statement referred to in the G. O. will be invariably sent along with the Budget in future.

The Council has recently assigned the work of constructing an Elementary school building on contract and it is expected that the entire provision of Rs.7500/- made under capital expenditure (Land & buildings) for this year will be spent before the close of this year.

There is a separate proposal to acquire suitable sites for constructing some more school buildings and this being sanctioned necessary provision will be made in the next year's budget to finance the cost of acquisition as well as that of constructing such buildings, which will considerably reduce the balance in the Elementary Education Fund.

The Budget will be revised along with the Budget for the next year 1927--28 which will be taken up shortly.
