Sir,

In submitting herewith letter R.C.No.77/26 dated 3-5-26 from the President, District Educational Council Coimbatore I have the honour to state that I have elsewhere furnished my opinion in regard to the question of making available the services of a peon or attender of the Deputy Inspector of Schools to work with the District Educational Council.

2. In the Coimbatore District the number of elementary schools is only 1525. No additional clerk has been sanctioned to any District Educational Council after the revision sanctioned in G.O.No.83 L.E., dated 19-1-26. The

2

The question of overlapping of aided agencies and schools under local bodies referred to in para 2 of the President's letter will not appreciably add to the work of the council in as much as local bodies have been in G.O.No.1510 L.E., dated 31-8-25 directed not to open schools in localities served by aided schools. Further the educational survey report contains particulars of school-less villages. The present clerical establishment sanctioned in G.O.No.83 L.E., dated 19-1-26 appears to be quite adequate to cope with the work of the Council. In these circumstances I do not recommend the additional clerk.

I have the honour to be,

Sir,

Your most obedient servant,

Through

The Director of Public Instruction, Madras.

Sir,

I have the honour to state that Government have sanctioned in their order No. 83 L.E. dated 19-1-1926 a Head-Clerk on Rs. 35--35--12-50-1-60, a 2nd Clerk on Rs. 30-1-40 and a Peon on Rs. 12-18 for this Office. It is a matter of common knowledge that this meagre establishment has been found from practical experience, to be totally inadequate to the ever growing work of this office and that the maintenance of all the records besides heavy correspondence work and transmission of returns under Section 26 of the Act has been done by overworking the establishment and that not satisfactorily.

2. In the first place, Section 24 (1) (d) of the Act in

(E)

regard to the opening of additional schools and G.O. No. 117 L.E. dated 27-1-22 throw a serious responsibility on this Council in regard to the maintenance of records and registers which, if not brought up to date, there shall be no justification for the existence of District Educational Councils and the fulfilment of the functions imposed on them, and further in their absence there is no possibility of advising the Local Bodies where to open schools and where not. This single matter involves a lot of correspondence. The question of overlapping of aided agencies and schools under local bodies, amalgamation of schools in certain areas and kindred matters will have to be carefully gone into. This alone would require the services of one full-timed clerk.

3. In regard to accounts, the preparation of bills, cheques, acknowledgements of correspondents, that is, a business of copying the particulars of all aided Elementary schools which require entries in six separate papers, their maintenance and the connected correspondence with several Sub-Treasuries and the Treasury Deputy Collector, Audit Office and Post offices occupies the full time of at least one more clerk throughout the year.

4. Moreover in connection with representation of Non-Mission teacher managers in this District, ^{in his Council, the Director} has in last year's review of the Administration Report, advised me to form a District Teachers' Association. This latter will mean maintenance of electoral rolls of teacher managers and their being brought up to date. This will also add in no small measure to the duties of my office which has already been working at high pressure.

5. The preparation of Agendas, the communications of Resolutions, maintenance of records, indexing, tabling and fair copying--all these require a full timed typist throughout the year.

6. Then there should be ^a qualified Headclerk conversant with all branches of work to supervise the office and to attend to general correspondence work.

The above catalogue of work would show that at least 4 clerks would be necessary for my office; but for the sake of economy I

I will be content if at least one more clerk on Rs. 30-1-40 is sanctioned for my office bringing the total number of clerks to 3. The Head clerk will be in charge of accounts and opening of new schools, another will be in charge of general correspondence, electoral roll for District Teachers' Association, Council papers Library, Stock and Furniture registers; while a third would be required to do typing and despatching work besides tabling, indexing and maintenance of records..

7. One legitimate grievance of this Council is that the office has been deprived of the second peon which it enjoyed prior to 1-4-1926. The necessity for this retention has already been fully set forth in my letter R.O.U. 77/26 dated 25-2-26 and his loss is being more keenly felt now. At times office work comes to a standstill, while the one peon has to be outside on circulation; further there is no safety for the proper custody of records and furniture in nights. I expected that the peon would be given back to the office by this time; his loss is much felt by the Council and I earnestly trust that his re^{er}entainment will be sanctioned ere long.

I therefore request that Government will sanction at very early date one more clerk on Rs. 30-1-40 and another peon on Rs. 12 to 18.

8. A copy of the Council's Resolution on the subject is also herewith enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

President

District Educational Council,
Coimbatore.
