To The Secretary to the Government of Madras,

Law (General) Department.

Fort St. George, Madras.

Sir,

I have the honour to report that frequent escapes occur from the Junior Certified School, Ranipet, due - - apparently to want of supervision and inefficient control. There are about 70 boys in the school and only 2 peons to guard them. Of these, one is engaged on night duty - leaving only one to attend to the multifarious duties of the school during the day. It is quite impossible for efficient control to be exercised with this ridiculously small establishment, and the services of two additional peons are urgently required. It is accordingly requested that the Government may be pleased to sanction the employment of two additional peons for the Junior Certified

School, Ranipet.

I have the honour to be,

Sir,

Your most obedient servant,

Lieut-Col, I.M.S.,
Inspector-General of Reformatory Schools.

There are already two persons on Rs 12-18 sanctioned for to guard the Junior Certified School, Ranipet.

It is now proposed to appoint two additional persons on Rs 12-18 ^{to exercise for efficient control over the boys in the school.} for the same purpose. The

necessity for the additional persons is fully explained in ~~forward~~ the Inspector-General's letter on page 1 C.F. Law (Educational) Department support the proposal.

The proposal is an item of new expenditure not contemplated in the current year's budget and commits Government to a recurring liability of Rs 360. It is however stated that the two persons are urgently required and the I.G. has indicated the source from which the extra expenditure during the current year can be met. Finance may agree to the proposal being given effect to during the current year; but the proposal should be placed before the Fin. Committee. Law (Educational) may be requested to prepare the necessary note for that Committee. The extra cost during 1926-27 will be Rs 288 or Rs 300 (round).

This is really a Part II Scheme for next year. The Finance Committee will not meet again till December, so that in any case the appointment could not be made before January. If the Scheme

is accepted for next year, it will be open to Law Dept to suggest funds to enable it to be introduced this year. But it should be placed before the Finance Committee as a Part II Scheme.

It appears from the note for the Finance Committee put up by the Law (Edn) Dept. that they desire to place the proposal in the present case before the Finance Committee as a scheme for introduction in the current year. With reference to Secy's remarks at A above, it is only

4
 That the proposal should ~~first~~ be placed before the Finance Committee as a Part II Scheme for 1926-27 and the question of introducing it in the current year should be considered only, if the scheme is accepted for next year. The Law (Edn) Dept. may therefore be requested to amend their note for the Finance Committee as indicated in pencil. Subject to these remarks, the note for the Fin Committee may be accepted and the following added as Finance note:-

Note for the Finance Committee.

Part II Scheme for 1926-27.

Subject. Employment of two additional peons in the Junior Certified School, Ranipet.

Proposals of the Inspector General of Reformatory Schools.

The present menial staff of the Junior Certified School, Ranipet, consists of only two peons on Rs.12-18, one of whom is engaged on night duty. There is thus only one peon to attend to the duties in the school during the day and the Inspector General reports that escapes occur from the school owing to ^{the} want of an adequate menial staff. There are about 70 boys in the school and the Inspector General considers that it is impossible for efficient control to be exercised with the small establishment of two peons. He requests that the employment of two additional peons on Rs.12-18 each in the school may be sanctioned at a very early date.

Note by the Law (Education) Department.

The proposal of the Inspector General for ~~the~~ the employment of two additional peons in the Ranipet school may be approved. The average extra expenditure involved in the proposal comes to Rs.360xxx a year. A sum of Rs.364 may be provided in the budget for 1926-27 under "25-a--Jails and Convict Settlements-vii-Reformatory and Certified Schools-Pay of establishments-voted".
