No. G/432

Station Ootacamund Dated the 4th June 1926

From (Name) Lieut-Col. J.P. Cameron, C.I.E., I.M.S.

(Designation) Inspector-General of Ref. Schools.

To The Secretary to the Government of Madras

Law (General) Department.

Sir,

With reference to the correspondence ending with G. O. No. 472, Law (Education), dated the 29th March 1926, sanctioning the appointment of a Sub Asst. Surgeon for the Ranipet School, I have the honour to state that the periodical inspection of the School should, for obvious reasons, come within the scope of the duties of the District Medical Officer, North Arcot. I accordingly recommend that the District Medical Officer, North Arcot, be appointed consulting Medical Officer of the School - and member of the Committee of Visitors. This would place him in a position of responsibility in regard to the School and be of great advantage to the administration.

2. As the School is 18 miles from Vellore, where the District Medical Officer resides and as the Committee of Visitors meets once a month, it is for the consideration of Government if the Travelling allowance of the District Medical Officer should be borne by the Medical or Jail Department. In view of the fact that places in the vicinity of Ranipet have to be visited regularly by the District Medical Officer, it is suggested that the Travelling allowance should be borne by the Medical Department to avoid unnecessary complications.

3. The Surgeon-General agrees with the proposal to appoint the District Medical Officer, North Arcot, as consulting Medical Officer of the School and member of the Committee of Visitors. Vide his letter No. 790/G/26, dated 14-5-26 - copy enclosed. I have the honour to be,

Sir,

Your most obedient servant,

J.P. Coomaraswami

Lieut-Col, I.M.S.
Inspector-General of Ref. Schools.

Ref:- Junior Certified School, Ranipet - suggestion to appoint the District Medical Officer, North Arcot, as the Medical Adviser to the School and member of the Committee of Visitors - Your letter No. 3589, dated the 9th April 1926.

The District Medical Officer, North Arcot, who was referred in the matter considers your suggestion would be of great advantage to the School on all matters affecting the Medical and Sanitary matters. He further understands that as the meeting of the Committee of Visitors takes place every month he can conveniently go there and attend the meetings. I have therefore no objection to the District Medical Officer being recommended to Government as the Medical Adviser and member of the Committee of Visitors to the Junior Certified School, Ranipet. I, however, consider that in as much as the District Medical Officer has to visit the School in the interests of the Reformatory (Jail) Department, that Department should bear his Travelling allowance on the account.
