Eleven books were missing at the end of December 1925 and, of these, eight books were replaced in January 1926 by the arrangement approved in Proceedings Dis. No. 4122/24, dated 22nd November 1924. The remaining three books have been ordered and are awaited. Nine books were missing at the end of March 1926 and these will be replaced in January 1927.

Service registers have been verified.

Sports.—Miss Kausalya has been in charge of the Games Club. Another Badminton court was provided. Volley Ball was given up as the students found it too tiring. An attempt was made to introduce Baseball but too late in the year to judge of its success.

The College won in Basket Ball and Tennis at the Y.W.C.A. tournament and ranked second in Badminton.

The Queen Mary's College Badminton Cup was again won by the Women's Christian College and passed into their possession permanently. Doveton has again not organized any tournament for the Atkinson Tennis Cup which we continue to hold.

College Societies.—Miss Gunther was in charge of the Literary Society and it has been very active. Its inner circle, the Debating Society, was revived. Two interesting inter-collegiate debates were held with the Women's Christian College. Miss U. Devakiamma was in charge of the Dramatic Society, which performed "Lalla Rookh" for College Day and "Friar Bacon and Friar Bangay" for the Women Graduates' party. "Lalla Rookh" was repeated in College as a paying performance open to ladies and again at the Mental Hospital.

The vernacular societies and the Science Association continued their activities. The College Magazine appeared as usual in September and March.

A company of Girl Guides was formed by Miss K. S. Ranga Rao and has been enrolled as the 27th Madras. It numbers over 30 students. This is something of an experiment as I am not quite convinced of its suitability for College students.

Scholarships.—There were 34 students in receipt of Government scholarships during the year. There were also students holding special scholarships.

Hostel.—The numbers for the three terms were respectively 214, 211 and 203.

An eighth section was opened to meet the needs of West Coast non-vegetarian Hindus.

The Hostel has worked smoothly enough.

The strength of the various sections in the third term was as follows :—

European	36
Brahman	23
Cosmopolitan	35
Nayar	26
Non-vegetarian Hindu	12
Malabar Non-vegetarian Hindu	11
Tamil-Telugu Christian	29
Syrian Christian	31
	203

Health.—The health of the students has been exceptionally good throughout the year. We escaped the dengue epidemic, and the only three cases which were at all serious were malaria fever resulting from expeditions outside Madras.

The lady Sub-Assistant Surgeon has been resident in the hostel during the past year. Certain difficulties have been felt about the system of medical attendance and the matter is now under correspondence.

General.—The Advisory Council met twice during the year.

The College Day was celebrated on August 19th and was considered to be one of the most enjoyable ever held.

The Old Students' Association is well supported and forms a valuable link between past students and the College.

The tutorial system has continued to work effectively.

The year has been peaceful and happy both in College and Hostel.

Improvements required.—The new Science buildings have not yet been started, but, I believe, that everything is now ready for a beginning to be made.

The improvement of the Beach House compound has not yet been carried out. This is most urgently needed, both for the provision of more latrine accommodation and for the provision of proper drainage for the kitchens and bath rooms.

Other urgent needs are—

A compound wall and gates.

A new kitchen block with dining and bathing accommodation.

R.O.P. No. 10-A-13/26, dated 4th May 1926.

Recorded.

2. The number on the rolls of the College declined further from 193 in 1924–25 to 173 in 1925–26, the decrease having been shared by all the classes.

3. The results of both the Intermediate and B.A. Degree examinations were satisfactory.

From 1st April 1925 to 31st March 1926, 1,115 volumes have been used by the members of the staff and 5,156 volumes by the students exclusive of the books taken for the library periods and books used without being removed from the library. Class libraries are maintained for Mathematics and Science subjects. The figures given above refer to the general library only. The library was checked at the close of each of the three terms. Eleven books were missing at the end of December 1925 and, of these, eight books were replaced in January 1926 by the arrangement approved in Proceedings Dis. No. 4122/24, dated 22nd November 1924. The remaining three books have been ordered and are awaited. Nine books were missing at the end of March 1926 and these will be replaced in January 1927.

Service registers have been verified.

Sports.—Miss Kausalya has been in charge of the Games Club. Another Badminton court was provided. Volley Ball was given up as the students found it too tiring. An attempt was made to introduce Baseball but too late in the year to judge of its success.

The College won in Basket Ball and Tennis at the Y.W.C.A. tournament and ranked second in Badminton.

The Queen Mary's College Badminton Cup was again won by the Women's Christian College and passed into their possession permanently. Doveton has again not organized any tournament for the Atkinson Tennis Cup which we continue to hold.

College Societies.—Miss Gunther was in charge of the Literary Society and it has been very active. Its inner circle, the Debating Society, was revived. Two interesting inter-collegiate debates were held with the Women's Christian College. Miss U. Devakiamma was in charge of the Dramatic Society, which performed "Lalla Rookh" for College Day and "Friar Bacon and Friar Bangay" for the Women Graduates' party. "Lalla Rookh" was repeated in College as a paying performance open to ladies and again at the Mental Hospital.

The vernacular societies and the Science Association continued their activities. The College Magazine appeared as usual in September and March.

A company of Girl Guides was formed by Miss K. S. Ranga Rao and has been enrolled as the 27th Madras. It numbers over 30 students. This is something of an experiment as I am not quite convinced of its suitability for College students.

Scholarships.—There were 34 students in receipt of Government scholarships during the year. There were also students holding special scholarships.

Hostel.—The numbers for the three terms were respectively 214, 211 and 203.

An eighth section was opened to meet the needs of West Coast non-vegetarian Hindus.

The Hostel has worked smoothly enough.

The strength of the various sections in the third term was as follows :—

European	36
Brahman	23
Cosmopolitan	35
Nayar	26
Non-vegetarian Hindu	12
Malabar Non-vegetarian Hindu	11
Tamil-Telugu Christian	29
Syrian Christian	31
	203

Health.—The health of the students has been exceptionally good throughout the year. We escaped the dengue epidemic, and the only three cases which were at all serious were malaria fever resulting from expeditions outside Madras.

The lady Sub-Assistant Surgeon has been resident in the hostel during the past year. Certain difficulties have been felt about the system of medical attendance and the matter is now under correspondence.

General.—The Advisory Council met twice during the year.

The College Day was celebrated on August 19th and was considered to be one of the most enjoyable ever held.

The Old Students' Association is well supported and forms a valuable link between past students and the College.

The tutorial system has continued to work effectively.

The year has been peaceful and happy both in College and Hostel.

Plans & estimates have been applied.

Improvements required.—The new Science buildings have not yet been started, but, I believe, that everything is now ready for a beginning to be made.

The improvement of the Beach House compound has not yet been carried out. This is most urgently needed, both for the provision of more latrine accommodation and for the provision of proper drainage for the kitchens and bath rooms.

Other urgent needs are—

A compound wall and gates.

A new kitchen block with dining and bathing accommodation.

R.O.P. No. 10-A-13/26, dated 4th May 1926.

Recorded.

2. The number on the rolls of the College declined further from 193 in 1924–25 to 173 in 1925–26, the decrease having been shared by all the classes.

3. The results of both the Intermediate and B.A. Degree examinations were satisfactory.
