Department.

Sir,

In submitting herewith letter R.O.Gt No. 11/T.B.
of 26 dated 6th May 1926 from the President, Taluk Board
Erode, I have the honour to state that there are at present
92 schools under the control of the Taluk Board, Erode and
that the Taluk Board has recently resolved to open 44 schools.
There are still however nearly 95 school less centres in the
area under the jurisdiction of the Taluk Board. It is seen
from the review on the ^{educational} survey of the Coimbatore
District for 1924-25 that Dharapuram Taluk which is under the
Jurisdiction of the Erode Taluk Board is educationally
backward in point of boys' education and that of all the

President, Taluk Board, ERODE.
To The Secretary to the Government of Madras,

Law (Education) Department.

Through M A D R A S.
Sir, The Disrector of Public Instruction, Madras.

I have the honour to state that the
Taluk Board has sanctioned in T.B.Resolution No. 169
dated 8-1-26 temporarily two appointments of Super-
visors of Schools on a salary of Rs. 40/- plus a Fixed
travelling allowance of Rs. 20/- a month with effect
from 1-4-1926 and a provision of Rs. 960/- and Rs. 480/-
have been made under salaries and Travelling allowance
in the Budget for 26 - 27.

taluks in the Coimbatore District, it contains the largest
number of school-less centres.

2. A large number of schools is located in unsatisfac-
tory rented buildings and 26 schools are inaccessible to Adi
Dravidas. Only 25 schools out of 92 under the control of the
Board are located in buildings belonging to the Board. The
newly started schools are not well equipped.

3. The Elementary Education Fund under the control
of the Taluk Board for the year 1925-26 was expected to close
with a deficit and Government while approving the Budget estimate
for 1925-26 directed the Board to curtail expenditure so as
to avoid the deficit. It is also observed that the Budget
estimate for 1926-27 of the Elementary Education Fund which is
now before Government is expected to close with a deficit
specially in view of the fact that the credit taken for Pro-
vincial contribution in the Budget estimate for 1926-27 under
section 37 of the Madras Elementary Education Act of 1920
has been suggested to be deleted as the Government contribution
is payable only in the year next after that in ^{which} ~~which~~ the tax
is levied. The Board may therefore renew its request to
entertain supervisors after providing all the school less
centres with schools which are very large in number. There
are also nearly 24 untrained teachers under the employ of
the Board.

I have the honour to be,
