Public Works Branch.

No. E-16.

Simla, the 9 December 1925.

From

D. G. Harris, Esquire, C.I.E.,

Deputy Secretary to the Government of India.

To

The Secretary to the Government of Madras,

Law (Education) Department.

Recruitment of assistant surveyors, draftsmen and suboverseers for employment in the Public Works Department, Dar-es-Salaam.

Sir,

I am directed to inform you that the Public Works Department in Dar-es-Salaam (East Africa) is in need of assistant surveyors, draftsmen and suboverseers. The assistant surveyors are required mostly for road location and should be proficient in ordinary levelling, prismatic compass surveying, etc. The draftsmen are required as assistants in branch offices to do tracings and make small bridge designs, etc. The suboverseers should be capable of supervising construction of buildings and small bridges, etc. All these classes of men would be required to have a good knowledge of English and be capable of conducting correspondence, etc., in that language.

2. Men selected for any of the above appointments would be engaged on agreements for terms ranging from 3 to 3½ years, and would be provided with second class passages from Bombay to Dar-es-Salaam on engagement and back to Bombay on completion of agreement. Leave is at present granted to employes in Dar-es-Salaam at the rate of one month for each completed year of

service

GOVERNMENT OF INDIA

Department of Industries and Labour

No. 100

Dated 10th December 1932

S. G. Harris, Deputy Secretary to the Government of India

The Secretary to the Government of India

(Education) Department

Enclosure of the Department of Industries and Labour, Government of India, dated 10th December 1932.

I am directed to inform you that the following rates of pay for the following classes of establishment are as shown below against each class:-

Class	Rate of Pay
Surveyors and tracers ..	Shs. 280-15-360.
Suboverseers ...	250 - 350.

The Director of Public Works in Dar-es-Salaam desires to ascertain whether it is possible to obtain in India reliable Indians or Anglo-Indians for the posts mentioned in paragraph 1 above and, if so, the best method of recruitment in order to ensure that suitable men are sent. He adds that there is a large Indian community in Dar-es-Salaam. I am to say that the Government of India will be glad if, after consulting the Principal of the College of Engineering, Madras, if necessary, you will kindly furnish them with information as to the prospects of suitable men being available, and as to whether the terms mentioned are likely to be sufficient to attract them for service in Dar-es-Salaam.

I have the honour to be,

Sir,

Your most obedient servant,

D. G. Harris

Deputy Secretary to the Government of India.

From (Name) R. Littlehailes, Esq., M.A.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Law (Education)

Department.

Sir,

With reference to Government Memorandum No. 4032 C-2 dated 19th December 1925, regarding recruitment of Assistant Surveyers, draftsman and sub overseers for employment in the P.W.D. Darasalam, East Africa, I have the honour to report that the Principal, College of Engineering, Guindy states that men trained as lower subordinates and as Upper subordinates in his college should prove suitable for the posts in question. Whether suitable men are easily available and the salaries proposed are adequate depend, he reports, upon the healthiness or otherwise of the area in which the work has to be done and the cost of living and similar considerations. If the posts are advertised

in the important news papers and if the applications of those who have received training in the college of Engineering, Guindy, or Madras be sent through him or to him he can assist in selecting the most suitable men from among the applicants.

I have the honour to be,

Sir,

Your most obedient servant,

A. Rama Ray

Mr Harris's letter No E-16 &

9.12.25

I am directed to say that the Principal, College of Engineering, Bombay who was consulted on the subject states that men trained as lower subordinates and upper subordinates in the college should prove suitable for the appointments mentioned

p. 4 of

and that the question whether suitable men are available on the rates of pay offered depends on the healthiness or otherwise of the area in which they will have to ~~be called on~~ to work, the cost of living and similar considerations.

He ^{suggests} ~~considers~~ that, ^{in order} with a view to ensure that the best men are appointed, the posts should be advertised in the important newspapers in India and that such of the applicants as have received their training in the College of Engineering, Madras, should be directed to send their applications through the Principal of the College, so that ^{be in a position to} he may assist in selecting the most suitable men from among the applicants.

I have etc

2 I am to add that this amendment concurs ^{above} in the views of the Principal, College of Engineering.

I have etc
