L a w (Education)

Department.

Sir,

I have the honour to invite a reference to  
G.O.No.189 W, dated 9-2-25 sanctioning the erection of a  
gas plant for the extension to the Umdah Bagh buildings  
and to request that in the circumstances explained below  
you will be good enough to obtain the sanction of Govern-  
ment for the employment of a Gas-man on Rs.15 per mensem  
in the Government Muhammadan College, Madras with effect  
from 15th July 1926.

2. The Principal of the Government Muhammadan  
College, Madras reports that the science laboratories of  
the high school department attached to the college have  
since

since been completed and that the services of a gas-man are necessary for working the gas plant. Government have also in their order No.804 Mis., L.E., dated 7-5-26 sanctioned the opening of classes in Group I of the Intermediate course in the college in 1926-27. The present menial staff employed in the college department consists of only one peon, while that of the high school consists of 1 attender, 1 laboratory peon and two peons. The Principal reports that the laboratory peon and attender are fully engaged with six demonstration lessons and four hours of practical work conducted in each laboratory every week, while the peons are equally occupied with the routine work of the institution. I therefore agree with the Principal that the services of a gas-man are necessary for the high school and college laboratory.

3. The expenditure is debitable to the head 31.B.a Education-Secondary Government Secondary Schools -(i) Government Secondary Schools for boys - Non contract contingencies - voted - Pay of menials; and I am submitting herewith for the sanction of Government a reappropriation statement providing the necessary additional funds required for giving effect to the proposal.

I have the honour to be,

Sir,

Your most obedient servant,

*R. R. Saha*  
For Director of Public Instruction

Employment of a gas-man  
in the Govt Muhammadan  
College, Madras.

In the circumstances stated  
by the D.P.I. the employment of a  
gas-man in Rs 15 a month in the Govt  
Muhammadan College, Madras, may be  
sanctioned.

2 Under recent orders permanent  
additions to establishment, however  
small the cost may be,  
~~should~~ should be treated as ~~part of~~  
new schemes and placed before the  
Finance Committee. The present  
case, however, relates to the employ-  
ment of a menial ~~paid for~~ whose  
pay is debitable to 'contingencies'  
and the above rule does not, therefore  
apply to it.
