Station M a d r a s Dated the 28th June 1926

From (Name) R.G.Grieve Esq., M.A.,
(Designation) Ag: Director of Public Instruction

To The Secretary to the Government of Madras

L a w (Education) Department.

Sir,

In resubmitting herewith the papers referred to me for remarks in Government endorsement No.1722 A-1 dated 20-5-26, I have the honour to state that there are now 106 schools under the control of the Taluk Board Gobichetti-palayam. The Board proposes to open 20 more schools during the year 1926-27. 32 schools are located in buildings belonging to the Board. 15 schools are accommodated in rented or rent free buildings and 4 of them are inaccessible to all classes of pupils. 18 schools are held in temples etc., out of which only 3 are accessible to all classes of pupils. On the whole 24 schools are insufficiently accommodated and 17 are quite unsuitable for school purposes. There are no compound walls or walls in many of the schools. The

equipment of the schools is fair but 8 additional teachers require to be employed by the Board. In these circumstances the appointment of a supervisor by the Board seems to be too early. It can be deferred till better conditions of education are secured in the schools under the control of the Board. I may also state in this connection that there are nearly 24 school-less centres in the area under the jurisdiction of the Taluk Board.

2. With reference to para 4 of the President Taluk Board's letter it is submitted that the Taluk Board is competent to vary the scale of pay of the establishment under section 67 of the Madras Local Boards Act of 1920.

I have the honour to be,

Sir,

Your most obedient servant,

A Rama Rao

Sir,
Through

The President, District Board,
Coimbatore.

Sir,

There were 88 schools under the control of this Taluk Board before 1st January 1926; 18 new schools were opened since then. Proposals for the opening of twenty more schools during 1926-27 ^{have} also been received and they were ^{recently} approved by this Taluk Board. With the increase of Board schools, the Deputy Inspectors of schools cannot be expected to make frequent visits to these schools to note improvements, for they have to make visits to aided schools also, besides numerous other duties they have to perform. Unless the Board schools are,
