Sir, In submitting herewith letter R.O.C.No. 1603 of 25, dated 27th February 1926 from the President, Taluk Board Madura, I have the honour to state that only 28 of the Board's schools for boys are held in buildings belonging to it, while 15 are held in rented buildings and 22 in rent free buildings such as Chavadies, private houses etc. Accommodation needs extension in the case of four buildings belonging to the Board. 5 of the rented buildings are tiled while the remaining 10 are thatched ones. The accommodation available in four of these rented buildings is not adequate. The rent free buildings with the exception of 2 ~~one~~ thatched ones, 18 schools started recently have not been properly equipped and some of them have no articles of furniture or appliances for teaching. Additional teachers are required

2
- one teacher for each school
in the case of 5 schools. There are however no school-less centres in the area under the jurisdiction of the Board.

2. The proposal of the President, Taluk Board is not supported in view of the fact that there are only 75 schools under the Board. Moreover, the accommodation, equipment and staff of the Board schools are not satisfactory as indicated above.

I have the honour to be,

Sir,

Your most obedient servant,

A. R. M. A. R. A. Y.

Through

Sir, The President,
District Educational Council, Madura.

Not put up Agreeably to G.O.No.106 L.E., dated 25-1-26, I have the honour to report as follows:--

2. This Taluk Board is running about 75 schools with 100 teachers and the receipts and charges of the Elementary Education Fund are almost equal to the -- General Fund of this Board which is maintained by four clerks. Consequent on the increase in the number of schools, it has been found in practical experience that one clerk cannot efficiently maintain the accounts. The maintenance of Service Registers of teachers and the -- checking of Demand Collection & Balance statements --

alone occupy the services of one whole timed clerk. It does not therefore need any mentioning here that the other remaining important works viz. (1) disposal of casual -- leaves (2) verification stock lists of furniture etc. (3) passing of pay bills (4) furnishing of school war particulars of receipts and charges, and all other miscellaneous routine works, have to be attended to in a hurry by the same clerk with much difficulty. Having regard to the facts mentioned above, I have the honour to request -- that the appointment of an additional clerk may kindly be sanctioned from the Elementary Education Fund, for which there is sufficient provision in the Elementary Education Budget for 1926-27.

The kind sanction of Government is early solicited.

I have the honour to be,

S i r,

Your most obedient servant,
