Sir,—

Through

The President, District Board,

T A N J O R E.

Sir,

Ref:— G.O. No. 106 Law Education dated 25-1-26 and
pay of the Educational Clerk.

Ever since the Taluk Board decided to impose an
Education cess of 25 per cent of the property tax and 25
per cent of the professional tax, the Board found the need
for an additional clerk. The clerk that was hitherto
looking after the work of the Educational Branch had hardly
time to cope with this extra work.

The assessment of Education tax, assessing demands,
watching the collection, maintaining of necessary accounts
and prosecuting refractory rate payers — all this extra
work had to be entrusted to an additional clerk employed
for the purpose. The General funds of the Board being
too small for its ordinary requirements, this Board resolved
to debit the cost of this additional clerk to the Elementary
Fund; on the objection of the Examiner of Local Fund
accounts, the sum of Rs. 454-7-3 (being the sum paid during
1924-25) was transferred from the account of the Elementary

Education Fund and debited to the General Funds.

But on the further representations made by me in R.O. No. 877 of 25 dated 30-8-25 the Government have now ordered in G.O. No. 106 Law Education dated 25-1-26 that the pay of establishment employed on the maintenance of accounts relating to the Elementary Education Fund is a legitimate charge on the said fund and that the local bodies should get the previous approval of Government before such expenditures are incurred.

So far as this Board is concerned, its resources are too poor for its needs. The Board has much to do in improving its village communications; and rural sanitation. Several wells have to be ~~such~~ ^{smk.} in the villages in the non-deltaic portion of the taluk with a view to improve the rural water supply. The Board has already applied to Government for a loan of Rs. 30,000 for making roads and culverts. Thus it is quite clear that General funds are quite inadequate for its ordinary needs. It would be further evident that from Elementary the Education Budget that the Education Fund is ample enough for the normal needs and that it closes, after making adequate provision for the ordinary and capital expenditures of the Educational institutions, with a closing Balance of Rs. 33270 (1925-26).

I may here mention that this Board is contributing from its general funds Rs. 11380 to the Education Fund and is paying as usual the pay of a clerk, who is looking after the work of the Educational Branch. I would further point out that the interests of Education would not suffer by charging the cost of the extra clerk who maintains the accounts etc., relating to the Education cess to the Education Fund while saddling the General Fund with the cost of this clerk would be ~~unjust~~ ^{unjust} burden on the General Funds.

Under these circumstances I request that Government would be pleased to sanction the retransfer of the cost hitherto

incurred on account of this clerk during the years 1924-25, 1925-26 viz., Rs. 907-12-2 (This does not include Rs. 41-8-0 that will have to be paid during March 1926) from the Education Funds to the General funds and to order the debit in the coming year 1926-27 of the cost of this clerk viz., Rs. 520 to the Elementary Education Account.

I have the honour to be,
Sir,

Your most obedient servant,

Sir,

In resubmitting herewith the papers referred to me for remarks in Government Endorsement No. 918 A-1 dated 11- 3- 26 I have the honour to state that there are 97 elementary schools under the control of the Taluk Board, Tanjore and that provision has also been made in the Board's Budget Estimate of the Elementary Education Fund for the current year for opening new schools. Out of the existing 97 schools only 18 are provided with buildings of their own, 69 are located in rented buildings and 10 in rent free buildings. Of the 18 schools having buildings of their own three are reported to provide only

provide only inadequate accommodation. 46 schools are either inaccessible to all classes of the community or provide only inadequate accommodation. It is however reported that provision has been made for the construction of buildings for 7 of these 46 schools. 38 schools are not suitably equipped. There are no schoolless centres in the area under the jurisdiction of the Taluk Board. In view however of the fact that there are 97 elementary schools under the Taluk Board and provision has also been made for the opening of new schools in the current year and as the financial position of the Taluk Board is quite satisfactory, the request of the President, Taluk Board to debit to the Elementary Education Fund the pay of a clerk during 1926-27 is supported. In regard to the work of the clerk I may observe that the Examiner of Local Fund Accounts who was consulted in the matter states that the President, Taluk Board's statement that one clerk is engaged on work connected with the assessment and collection of education tax is not clear in as much as the education tax is not an independent tax. It is collected by the Revenue Department along with the land cess, by Presidents of Union Boards along with house tax or profession tax and by the Presidents of Taluk Boards along with profession tax in non union areas. No separate demand register is maintained for education tax and no extra clerk would therefore appear to be necessary on this account.

2. The President, Taluk Board also requests that sanction of the Government may be accorded to debit to the Elementary Education Fund a sum of Rs.907-12-2 being the expenditure incurred by the Board on the entertainment of a clerk in 1924-25 and 1925-26. Since previous sanction of Government has not been obtained to entertain the clerk, the President, Taluk Board's request cannot be

be supported and the expenditure already incurred may be debited to the general funds of the Board.

No. 1353, dated 16. 7. 1926

A copy of the letter from the
D.P.D. No 593 B/26, dt 28.6.26 is com-
municated to the P.T.B. Tanjore. The
Govt are pleased to permit the taluk

the pay of one of its clerks who maintains
the accounts relating to that fund.
The Govt are unable to accept the
suggestion that the pay of the clerk
for the years 1924-25 and 1925-26 should
be debited to the E.E. fund. They are
also not satisfied of the necessity for
the employment of a separate clerk
for the assessment and collection of

the education tax, since the education
tax is not collected as an independent
tax but only as an integral part of other
taxes.
