From (Name) R.G.Grieve Esq., M.A.,

(Designation) Ag: Director of Public Instruction

To The Secretary to the Government of Madras
Law (Education) Department.

Sir,

p/p 3-8 infra

I have the honour to submit for favour of the sanction of Government an application for study leave from Miss K.S.Ranga Rao M.A., L.T., Assistant Lecturer, Queen Mary's College, Madras and her letter dated 8th June 1926 and to state as follows:-

(H)

2. Originally when I received the application I did not recommend it to Government in view of G.O.No.593 Mis., Fin., dated 13-7-25 laying down that applications for fresh leave in the case of non-gazetted officers should be recommended only in exceptional circumstances and in view also of the fact that Miss Ranga Rao, though possessing good qualifications, had less than 5 year's service. Miss Ranga Rao has subsequently informed me that the permanent Director

after discussion was prepared to make an exception in her case. Further her application has been strongly recommended by Miss De la Hey, the Principal of the Queen Mary's College

3. One factor that weighed with me in originally declining to recommend the application was that there were already in the Queen Mary's College, officers qualified in History and Economics. Miss Ranga Rao however, states that she is prepared to specialise in Training work and serve the Department on her return.

A p 8 infra

I therefore recommend that as a special case Miss Ranga Rao may be granted study leave for one year from the 5th of July 1926 under Fundamental Rule 84. Early orders are solicited so that if study leave is sanctioned Miss Ranga Rao may make the necessary arrangements for proceeding to England. I may add that Miss Ranga Rao has secured admission in London and that as some other members of her family are going to England this year this will be her only chance of going for training. Consequently she wants to avail herself of this opportunity, as the~~ir~~ presence of her ~~really~~ relations will be of great help to her financially and otherwise.

K

p 4 infra

4. If Government sanction the study leave applied for by Miss Ranga Rao it will be possible to provide the necessary funds to meet the expenditure involved thereby in the current year.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

With reference to my application for a scholarship for higher studies dated 1. 4. '26 I beg to state that if the scholarship is not granted to me I shall be grateful if you grant me study leave for one year. I am very anxious to continue my studies at an English University. Though I have had only four years service in the department, I shall

(IX)

be obliged if you consider this an exceptional case because 1926-'27 affords me special facilities to live in England. My sister will be in England for several months this year and as this is my only chance to go to an English university I hope you will be pleased to grant me the leave.

I was a fully qualified Honours Graduate and first Class L.T. of this university when I joined service in 1922 and in the course of these four years I have worked in the Lady Willingdon Training College and Queen Mary's College. I was doing Post graduate training work in the Willingdon College and in Queen Mary's I have done responsible History work in the B.A Classes. I was turing in Political Science, Economics d Constitutional History to the B.A classes and this last year I did the major part of their history work.

I am anxious also not to have too long a break from my student career here, so that I may be able to get the best out of the life at an English University. In view of the fact also that I was a fully qualified graduate with the highest degree in arts this University can give, when I joined service I trust you will give this application a favourable consideration. This year 1926-'27 affords me the only chance to get education at an English University and I shall therefore be most grateful if the study leave is granted.

Sir,

I have the honour to request you to be so good as to consider my case as exceptional in the granting of study leave and to give my application a favourable consideration. I understand from your order of 5th June '26 that I may be qualified to ask for study leave next year. I beg to state that this year affords me special facilities for stay in England, and if I do not go this year, I shall not be able to go to England any other time when I may

be technically qualified for such leave. Some of my family are already in England and will be there for several months this year. This will be a very great help to me financially and otherwise and if I miss this chance I shall never get it again. Could you please also consider the facts that I was a fully qualified Honours graduate and first class L.T. when I joined service and that all my service has been in first grade colleges; I also hope to come back better qualified after my training in England to serve the department here. As there are these special circumstances to recommend my case I shall be most grateful if you give them due consideration and grant me the leave this year. I am willing to sign any bond the department would ask me to, in this connection and promise to serve the department on my return.

Application for study leave - Miss K.S.Ranga Rao

Slip (J)

The Educational Department is one of the departments to which the Study Leave Rules apply. Last year the Government of India decided that the study leave rules should not be applied as a matter of course to non-Gazetted officers serving under their administrative control or in Chief Commissioners' Provinces. On the analogy of this decision the Local Government directed that proposals for the grant of study leave to non-gazetted officers should be considered only in very exceptional cases.

2. In the current ~~year~~ letter the Director recommends that Miss K.S.Ranga Rao, M.A., L.T., Assistant Lecturer, Queen Mary's College, Madras, may be granted study leave for one year with effect from the 5th July 1926. Under the rules, study leave should not ordinarily be granted to officers with less than five years' service. In this case the officer entere service on the 10th July 1922 and has put in only four years' service. The Director recognises this technical defect but would make an exception in the case of the officer. The application has been strongly recommended by the Principal of the College.

Rule 1 at slip (J)

para 2, pp 1-2 c.f

p 6 c.f.

Rule 5 at slip (J).

3. The rules say that applications for study leave should be submitted with the audit officer's certificate and the course of study contemplated and any examination which the candidate proposes to undergo should be clearly specified therein. The Director has not submitted this application through the A.G. apparently because the officer wants to leave India immediately. In regard to the course of study all that is mentioned in the application is that the officer proposes to specialise in training work

It is however stated that the officer has secured admission in London. Since admission has been secured it is ~~proposed~~ perhaps unnecessary to obtain a detailed specification of the course of study proposed to be undertaken.

For orders whether the application may be favourably considered. The case has to be sent to the Finance Department for remarks.

As stated by D.P.I. on a previous occasion, the Govt: sanctioned study leave to Mr. Srinivasa Rao, an S.E.S. officer, in 1923, the furlough taken by another officer, Mr. T. Ekambaram, was converted into study leave by the Secy: of State

The notes of the Law Department above state the facts of the case.

2. The study leave rules at ~~J~~ G are of Statutory character and they should not be deviated from the individual cases - please see Secretary of State's orders in G.O., No. 40, Finance, dated 15-1-26.

3. The following remarks may be made:--

(A) Portion A in para 1 of the Law department notes. Regard being had to the high attainments (M.A.,L.T.) in a Lady officer, Finance need not object to an exception being made in favour of Miss Ranga Rao.

Rule 1 of (J)

Para 2 of the Law department notes. The rule lays down that study leave should not ordinarily be granted to Govt. servants of less than five years service. The use of the word 'ordinarily' makes it possible to make a departure in special cases. Miss Ranga Rao has put in 4 years service. Finance need not object on this score.

Para 3 of the Law department note. The Audit officer's certificate has not been obtained. If the decision on the question of grant of study leave is in Miss Ranga Rao's favour, she may be told that pending the Audit Officer's certificate she may proceed to England provided she is willing to take the risk of having her absence treated as ordinary^x leave to the extent due and if necessary the rest of the period as extra^#ordinary leave without leave salary, the whole period not exceeding 1 year from 5th July 1926. There is the further point that she has not submitted a programme of the course^δ of study contemplated by her. Study leave can be granted in the public interests to pursue a special course of study or investigation of a scientific or technical nature.

nature. The information available is that Miss Ranga Rao proposes "to specialise on training work". Finance need not perhaps object to study leave being granted for the purpose. Miss Ranga Rao may be directed to submit a copy of the detailed programme of the course of her study immediately on arrival at London for the approval of the High Commissioner and to obtain his approval before commencing the course. Law (Edn) may be informed accordingly and they may be requested to obtain the Audit officers' certificate and further deal with the case.

With reference to G.O.No.1106 Mis., Law (Education) dated 14th June 1926 ordering the reappointment of Miss Pichamuthu in the Educational Department I write to enquire whether it is proposed by Government to grant study leave to Miss Ranga Rao.
