To The Secretary, to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

I have the honour to submit the enclosed plans (placed before) and estimates for the construction of a Cottage hospital for the use of St. Joseph's College, Coonoor, and to state that they have been examined by the Deputy Consulting Architect to Government who has suggested certain alterations in his note dated 9-10-25, a copy of which is submitted herewith. The Correspondent is prepared to carry out the suggestions pointed out by the Deputy Consulting Architect to Government in the execution of the work, and I have the honour accordingly to recommend the inclusion in the list of approved

works

(P.T.O)

works maintained in pursuance of G.O.No.746 Law (Education) dated 17-6-22 and the work of constructing a cottage hospital for this School at an estimated cost of Rs.12,934/- as altered by the Deputy Consulting Architect as eligible for a half-grant under the provisions of the Code of Regulations for European Schools subject to the usual conditions regarding payment.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

M.R.P.14/12.

Copy of note dated 9-10-25 from the Deputy Consulting Architect to Government, Madras.

Construction of a Hospital at St. Joseph's College, Coonoor.

The proposed scheme for a Cottage Hospital for the St. Joseph's College at Coonoor has been examined and the following remarks are made.

The roof timbers require revision as per corrections noted in the detailed estimate attached.

The floor area works to 78 sft. per head as against 90 to 100 sft. in a regular ward. The smaller floor area may be allowed in consideration of the climate and cross ventilation provided for this emergency block.

The charges for preparation of plans and estimate work to Rs.307/- out of a total of Rs.13,204/- for the scheme. There are not any detail drawings necessary in this case, being a simple design. The charge included major supervision and may stand.

There are 5 doors D in the estimate as against 4 only in the drawing. The amendment shown in red ink on the stamped tracing should be given effect to. With this inclusion the estimate may be passed, the rates being reasonable @ Rs.12,934/-.

C.4's remarks on the draft order. (below)

A | Surely this is not for me in the first place.

B | I think that in another file I have raised a very important question regarding such cases.

Portion marked 'A' above.

Submitted that the St. Joseph's College, (is a European school) Coonoor, and the building grant ~~is~~ to be paid to it under the Code of Regulations for European schools.

Portion marked 'B' above.

The question raised by C.4 is in regard to the payment of building subsidies to secondary schools under the control of local bodies. This has been noted on and the file submitted separately. The case now in question is the payment of a building grant to an aided European institution. Grants to such institutions are governed by the orders in G.O. No. 746, dated 17-6-22. It may be noted here that the payment of building grants to aided non-European institutions is governed by the similar orders in G.O. 572 dated 10-5-22.

The following three cases of building grant
to European schools are lying over pending receipt of in-
formation ^{from the D.P.I. regarding} ~~relating to~~ the grants to which the Government
have committed themselves for buildings and equipment of
aided European schools in the last ten years:--

- (this file)
- (1) Construction of a cottage hospital for the use of
the St. Joseph's College, Coonoor.
 - (2) ~~Enlarging~~ Extension ^{of} the high school and the board-
ing house of the Nazareth Convent Girls' School, --
Cotacamund.
 - (3) Construction of a kitchen and bakery for the use
of the St. Patrick's High School, Adyar.
- (linked file)

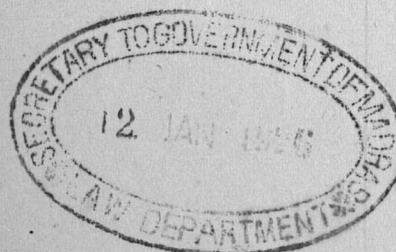

The information relating to the grants has
been called for at the instance of H.M. C4. The D.P.I.
has been reminded by telephone and has been told that the
managements of the above schools are anxious that the
grants should be sanctioned by Government as early as
possible. ^{The Director} ~~He~~ has been requested to furnish the informa-
tion without delay.

The managements are anxious for early orders. The works are necessary (this file) & may be included in the "approved" list.

*VTK
26.1*

From the D.P.I., R.O.C. No. 23 E/26, dated 22--1--1926.

The D.P.I. has furnished a statement showing the commitments under "building grants" for the last ten years. The following is a summary of the figures:--

Total grants sanctioned in the last ten years
--Rs. 9,58,024
Amount outstanding in the current year
--Rs. 96,707

There is a provision of Rs. 73,900 in the current year's budget estimate for building grants to European schools and the major portion of the above liabilities may be cleared before the 31st March next. Including the fresh applications approved in the current year, the Director has estimated in another connection that a sum of Rs. 1.20 lakhs will be outstanding at the end of the current year.

2. The three cases dealt with in this and in the linked file together entail an additional expenditure of only Rs. 10,740 as shown below:--

	Amount of grants payable
(1) construction of a cottage hospital for the St. Joseph's College, Coonoor	Rs. 6,500
(2) Extension of the high school and the boarding house of the Nazareth Convent, Ootacamund. (Grant in respect of the excess over the estimate already approved).	Rs. 1,500
(3) Construction of a kitchen and bakery for the St. Patrick's High School, Adyar	Rs. 2,740
Total	Rs. 10,740

The inclusion of these three cases in the list of approved works will not result in any large addition to the commitments. It is therefore for orders whether the three cases may be approved in accordance with the procedure hitherto followed.

3. The general question relating to building and equipment grants raised by H.M. C₄ is being considered separately in connection with certain building grant

grant applications for non-European schools. Proposals in regard to European schools will also be submitted in that connection.
