From (Name) R.G.Grieve Esq., M.A.,

(Designation) Ag: Director of Public Instruction

To The Secretary to the Government of Madras

Law (Education) Department.
through the Accountant General, Madras

Sir,

I have the honour to submit the following proposal for the permanent retention of the Government Islamiah Secondary School, Trichinopoly.

2. The institution was taken under Government control
D in G.O.No.848 Home (Education) dated 5th July 1919. Form IV
E was opened last year under G.O.No.996 L.E., dated 16th June
1925. The school is now on a temporary footing and the
I sanction accorded in G.O.No.1762 L.E., dated 15-11-24 to the
continuance of the school expires by the end of June 1926.

3. The present strength of the school (with classes 4 and 5 and Forms I to IV) is 154 as against 110 up to

2

and inclusive of Form III in 1924, and the District Educational Officer anticipates a further accession to the strength with the opening of higher forms.

4. The school is housed in a rented building and the accommodation is reported to satisfy the present requirements.

5. Of the following staff sanctioned for the school, ~~for the school~~, incremental scales of pay have been allowed for all the posts except that of the Headmaster and the Graduate Assistant (sanctioned for Form IV in G.O.No.996 L.E dated 16th June 1925)

(E)

One Headmaster on Rs.125	
One graduate Assistant for Form IV	75
Four Secondary grade Assistants	35-60
One Urdu Munshi	40-50
One Tamil Pandit	40-50
One Drawing and Physical Training Instructor	25-50

6. I recommend that Government be pleased to sanction the permanent retention of the school (with classes 4 and 5 and Forms I to IV) and the inclusion in the cadre of Licentiate School Assistants of the posts of Headmaster and 1 graduate Assistant with effect from 1st July 1926.

7. Provision for the staff referred to in para 5 supra has been included in the Civil Budget Estimate for 1926-27.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction

Subject. Permanent retention of the Govt Islamiah Secondary School, Trichinopoly.

A.S.

The Govt Islamiah Secondary School, Trichinopoly, was taken under departmental management in the year 1919 from the Muhammadan Educational Association, Trichinopoly, under

Ⓓ G.O. No. 848 Home (Edn) d 5.7.1919.

Ⓔ G.O. No. 996 / 16.6.25 Form IV in the school was opened last year and the opening of form V in the current year on a temporary basis has been

Ⓠ sanctioned in G.O. No. 471 Edn d 29.3.26. The D. P. I. recommends

p 2 c.f. the permanent retention of the school (with classes 4 & 5 and forms I to IV) with effect from the 1st July 1926.

2. When the proposal for the opening of form V in the current year was placed before the Finance Committee they recommended

Vide p.99
G.O. No. 471 (Q)

"Recommended the opening of the V form on a temporary basis and suggested that the case should be resubmitted to the Committee before any further development was undertaken". Apparently the Finance Committee meant that the case should be resubmitted to them when ~~the~~ form V was proposed to be retained permanently or ~~when~~ before form VI was proposed to be opened and their suggestion does not affect the question of the permanent retention of the school with classes up to and inclusive of the IV form.

V.TK

It is for orders whether the permanent retention of the school (with classes 4 & 5 and forms I to IV) ~~with~~ from 1.7.26 will be sanctioned. If so, the draft below is for approval. It may be sent to Finance Dt. for acceptance and registry of sanction.

2. The school was taken over by Govt. in 1919. It was then only a middle school. Form IV was opened+ in 1925 and sanction has been given for the opening of Form# V in July 1926. When the scheme for the opening of Form V was placed before the Fin. Committee, the Committee recommended its opening on a temporary basis and suggested that the case should be resubmitted to them before any further development was undertaken. Evidently the Committee desire to know whether there would be sufficient number of students to justify the retention of higher forms in the school. Finance may suggest that the

school may be retained permanently with classes 4 & 5 and forms I to III, and that the High School deptt. (from form IV upwards) may for the present be kept on a temporary basis.

BNR

3. The proposal for the permanent retention of the school should go before the Finance Committee, as it involves permanent addition to establishments. Law Dept may be requested to prepare the necessary note for the Finance Committee.
