Sir,

In resubmitting herewith the Government endorsement No. 1360 A-1, dated 8th April 1926 referring for remarks the letter C.No. 35/26, dated 30th March 1926 from the President, District Educational Council, the Nilgiris I have the honour to state as follows:-

2. Government in their order Mis 440, dated 22nd March 1924 directed the continuance of the arrangement sanctioned in G.O.No. 1027, Law (Education) dated 24th July 1923 until further orders, on the ground that the amalgamation was reported to have worked satisfactorily. As the temporary amalgamation was effected with a view to curtailing expenditure ~~on the expenditure~~ on the establishment of the District Educational Council and to facilitate quick despatch of work and as the President, District Educational

3. In regard to the permanent retention of the temporary establishment attention is also invited to para 3 of Government Memo 4538 A-3, dated 14th December 1922, In the case of other District Educational Councils which have not been amalgamated with the offices of the District Educational Officers the establishment originally sanctioned by Government is permanent and the scale of the pay of the establishment has been recently revised. In G.O. No. 516×, Home (Edn.), dated 2-4-21, the Government sanctioned an establishment consisting of two clerks on Rs. 30 p.m. each and two peons on Rs. 13 p.m. each for employment under each of the District Educational Councils (including the Nilgiris). In 1922 on representations received from some District Educational Councils for additional establishment, the Government considered the feasibility of avoiding any additional expenditure by the amalgamation of the offices of the Dt. Educational Councils with those of the Dt. Educational Officers; and the scheme was introduced as an experimental measure in the districts of Malabar, Vizagapatam and the Nilgiris. The office of the Dt. Educational Council, the Nilgiris, was amalgamated in 1923# with the office of the Dy. Inspector of Schools, the Nilgiris Range, there being no separate Dt. Educational Officer for the district. Under this arrangement, whi [illegible] effect to from 10-8-23

the separate establishment of two clerks on Rs. 30 p.m. each and two peons on Rs. 13 p.m. each, employed in the office of the Council was dispensed with and the office of the Dy. Inspector of Schools, the Nilgiris, was strengthened by the employment of a temporary clerk on Rs. 35-60 and a tempy. peon on Rs. 12-18. In Feb. 1924 the President of the Dt. Educational Council reported that the results of the new arrangement were satisfactory and the Government directed in March 1924 that the arrangement should be continued until further orders. As the President now reports that it is not possible to suggest any other course than the ~~of the~~ present amalgamation of the office in the interests of elementary education in the district, his recommendation to make the arrangement permanent may be approved. The alternative will be to have separate establishment for the Council which will entail heavier cost.
