To The Secretary to the Government of Madras

L a w (Education)

Department.

Sir,

(C)

In their order No.522 L.E., dated 9-4-25, Government sanctioned the employment for a period of one year of an additional Sub Assistant Inspectress of Schools in the Kistna Girls' Range on the standard scale of pay approved for Sub Assistant Inspectresses. The additional officer was also allowed the following establishment:-

Two clerks on Rs.35 each a month in the scale of Rs.35-60 per mensem
& Two peons on Rs.12 each a month in the scale of Rs.12-18 per mensem.

The new range was formed on 4-7-25 and as the sanction accorded

2
in the G.O. quoted above expires on 3-7-26 I have the honour to request that, in the circumstances explained hereunder, Government will be pleased to sanction the permanent retention of the additional sub Assistant Inspectress together with the establishment allowed for her with effect from 4-7-26.

2. The circumstances that necessitated the creation of the additional post have been explained in Mr. Littlehailles's letters to Government R.C.No.656 C/24 dated 27-3-24 and R.C.No.656 C/24 dated 8-10-24.

pages 1-3 and 7-8
G.O. No. 522 dt. 9-4-25
Consequent on the creation of the additional post of Sub Assistant Inspectress the old Kistna Girls' Range which had 187 schools within its area was divided into two ranges (viz) Kistna and West Godavari Girls' ranges and these two ranges as constituted at present, are co-extensive with the new revenue districts of Kistna and West Godavari respectively. There are now 114 elementary schools for girls in the Kistna Girls' Range and 101 in the West Godavari range and the Inspectress of Girls' Schools, Northern Circle reports that 38 additional schools have been proposed to be opened shortly in the latter. I would invite the attention of Government in this connection to para 3 of the permanent Director's letter R.C.No.656 C/24 dated 27-3-24 wherein it has been pointed out that the number of elementary schools that a Sub Assistant Inspectress can inspect efficiently is 100. In view of this and in view also of the fact that the total number of elementary schools for girls in the two ranges mentioned above has increased from 187 to 215 (114 in Kistna and 101 in West Godavari) I consider that the permanent retention of the Sub Assistant Inspectress sanctioned in the G.O. referred to in para 1 above, together with the establishment allowed for her, is necessary.

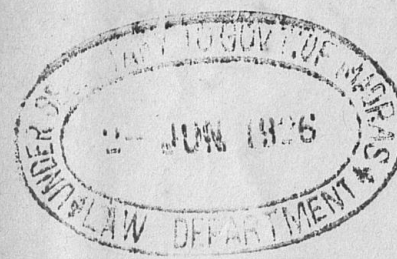

3. Provision for the pay of additional Sub Assistant Inspectress and her establishment has been inserted in the Budget Estimate for 1926-27.

I have the honour to be,
Sir
Your most obedient servant,

E. H. Bawet

2. Till last year there was a single Sub-Assistant Inspectress for the inspection of the 165 Girls' schools in the Kistna Girls' Range. It was brought to the notice of the Government that a Sub-Assistant Inspectress could not inspect with efficiency more than a hundred schools and that an additional officer was necessary to provide for the adequate inspection of the schools in the range. An additional Sub-Assistant Inspectress with the usual establishment consisting of two clerks on Rs. 35-60 each and two peons on Rs. 12-18 each was sanctioned as a temporary measure for one year. It was intended that the range should be split into two - the Kistna and the West Godavari ranges with 79 and 86 schools respectively.

3. The bifurcation took place on the 4th July 1925. The new ranges formed are co-extensive with the new revenue districts of Kistna and West Godavari.

The D.P.I. now reports that the number of schools in ^{two} the ranges has increased from 79 and 86 to 114 and 101 respectively and that it is proposed to open 38 more schools in the West Godavari Range. In other words, this range will soon have 139 schools in place of the present 101. The Director ~~there~~ therefore recommends that the post of ~~the~~ additional Sub Assistant Inspectress ~~and with~~ establishment may be retained permanently with effect from the 4th July 1926 on which date the current sanction expires.

4. The Director's proposal ~~is reasonable and is~~ supported. Necessary provision has been made in the current year's budget.
