Department.

Sir,

I have the honour to submit the enclosed plan and
estimates for the construction of a Kitchen and bakery
for the use of St.Patricks European High School, Adyar and
to state as follows:-

The Correspondent of the school submitted the
above plans and estimates and applied for a grant towards
the cost. The Deputy Consulting Architect to Government
who scrutinized them suggested certain alterations which
involved the reduction of the estimated cost from
Rs.6,370 to Rs.5,480. A copy of the Deputy Consulting
Architect's note on the subject was forwarded to the

Correspondent

Correspondent and he was requested to revise the plans and estimates in accordance with the suggestions in the Note. The Correspondent however reports that owing to urgency, the work was completed according to the original plans and estimates submitted by him and that if a half grant on Rs.6,370 is not given, he is prepared to pay the difference between Rs.6,370 and the Deputy Consulting Architects estimate of Rs.5,480. The work having been completed without the plans and estimates being approved, the Correspondent has under article 51 of the Code of Regulations for European Schools no claim for a grant. But, as the Inspector of European Schools recommended that if the building as constructed were found satisfactory a half grant might be sanctioned, in view of the fact that the building was urgently needed, I addressed the Executive Engineer, Chingleput Division to inspect the building and to favour me with his advice in the matter. He reports that the buildings as constructed are satisfactory and that he approves the estimates for Rs.5,480 as recommended by the Deputy Consulting Architect to Government. In these circumstances I have the honour to recommend that the irregular procedure adopted by the Correspondent may be overlooked and that the work of constructing a kitchen and bakery at an estimated cost of Rs.5,480 be included in the list of approved works maintained in pursuance of G.O.NO.746 Law(Education) dated 17-6-22 as eligible for a half grant not exceeding Rs.2,740 under the provisions of Code of Regulations for European Schools subject to the usual conditions regarding payment.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction

cf [C.5B] From the D.P.J., R.O.C. No. 80 E/25 of 19.12.25

In the case dealt with in this file, the correspondent of the school commenced and completed the work in advance of the approval of plans and estimates and is not, strictly speaking, eligible for grant. In the circumstances explained in the Director's letter, this irregularity may be condoned and the work included in the approved list - please see in this connection notes on pp. 21-22 of G.O. 992 of 15.6.25 and the order on p. 28 of the G.O. The work may be declared eligible for a half grant of Rs. 2,740 as recommended by the D.P.J.
