C. No. 2058/26

Station MADRAS, Dated the 23rd JUNE 1926.

From (Name) R. G. Grieve, Esq., M.A., F.R.C.S.,

(Designation) Ag. Commissioner for Government Examinations

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir.

In their order No.993, Law (Education), dated 15th June 1925, Government approved the proposal of the Director of Public Instruction to institute a separate departmental examination for the Pandits trained in Sri Minakshi Oriental Training College, Chidambaram, and to constitute for that purpose a Board consisting of the District Educational Officer, South Arcot District, the Superintendent of Sanskrit Schools and an experienced Tamil scholar to be nominated by the Director of Public Instruction. A scheme for the conduct of the examination was drawn up in consultation with the Superintendent of Sanskrit schools and the authorities of the College, and the first examination under the scheme was held in March last.

The

The examination consists of two parts - written and oral and practical-, and for the written portion there are five question papers, each of 3 hours' duration. The oral and practical examination is conducted in situ at the Training College by the Members of the Board.

2. The fee for admission to the examination was, in consultation with the authorities of the College, fixed at Rs.10 for each candidate. There were 24 candidates for the examination in March last and the income from fees was therefore Rs.240. As the entire work connected with the examination including the setting of question papers and the valuation of answer papers, and the conduct of the oral and practical examination, is done conjointly by the three members of the Board, I recommend that each member of the Board may be paid a uniform rate of remuneration of Rs.3/- for each candidate examined. This will leave a balance of Re.1/- out of the fee levied from each candidate and this, I submit, will suffice for meeting the contingent charges to be incurred in connection with the examination.

3. As regards Travelling Allowance, I propose that the two ex-officio members who are officials may meet the expenditure for travelling allowance from their respective budget allotments. I have, in my capacity as Director, issued instructions to them to see that in future they arrange their tours in such a manner that they will be able to conduct the oral and practical examination in the course of their tours. The third member who is a non-official will draw the travelling allowance admissible to a member of a Board under the Madras Travelling Allowance rules from the provision for Government examinations in the budget of the Commissioner for Government Examinations.

4. I have the honour to request that Government will be pleased to approve of the proposals made in paragraphs 2 and 3 supra.

I have the honour to be,

Sir,

Your most obedient servant,

R. Krishna Rao
for Ag. Commissioner.
